The History Of The Church In Carpathian Rus:

The History of the Church in Carpathian Rus' Atanasiï V. Pekar, 1992 *The Russian Orthodox Church, 1917-1948*
Daniela Kalkandjieva, 2014-11-20 This book tells the remarkable story of the decline and revival of the Russian Orthodox Church in the first half of the twentieth century and the astonishing U turn in the attitude of the Soviet Union's leaders towards the church. In the years after 1917 the Bolsheviks' anti-religious policies, the loss of the former western territories of the Russian Empire and the Soviet Union's isolation from the rest of the world and the consequent separation of Russian emigrants from the church were disastrous for the church which declined very significantly in the 1920s and 1930s. However, when Poland was partitioned in 1939 between Nazi Germany and the Soviet Union, Stalin allowed the Patriarch of Moscow, Sergei, jurisdiction over Orthodox congregations in the conquered territories and went on later to encourage the church to promote patriotic activities as part of the resistance to the Nazi invasion. He agreed a Concordat with the church in 1943 and continued to encourage the church, especially its claims to jurisdiction over migrant Russian Orthodox churches in the immediate postwar period. Based on extensive original research, the book puts forward a great deal of new information and overturns established thinking on many key points.

The Oxford Dictionary of the Christian Church Andrew Louth, 2022-02-17
Uniquely authoritative and wide-ranging in its scope, *The Oxford Dictionary of the Christian Church* is the indispensable reference work on all aspects of the Christian Church. It contains over 6,500 cross-referenced A-Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject, from theology, churches and denominations, patristic scholarship and the Bible to the church calendar and its organization, popes, archbishops, other church leaders, saints and mystics. In this new edition, great efforts have been made to increase and strengthen coverage of non-Anglican denominations, for example non-Western European Christianity, as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe. In particular, there have been extensive additions with regards to the Christian Church in Asia, Africa, Latin America, North America and Australasia. Significant updates have also been included on topics such as liturgy, Canon Law, recent international developments, non-Anglican missionary activity and the increasingly important area of moral and pastoral theology, among many others. Since its first appearance in 1957, the *ODCC* has established itself as an essential resource for ordinands, clergy and members of religious orders, and an invaluable tool for academics, teachers and students of church history and theology, as well as for the general reader.

The Carpathian Diaspora Yeshayahu A. Jelinek, 2007
Subcarpathian Rus is a region in former Czechoslovakia and Hungary and the Jews who lived in this area comprised a unique community. Until the Holocaust, Subcarpathian Jews lived peacefully among other local groups. They owned and worked their own land as small-scale farmers and lumberjacks and were known for their Orthodox piety. The cities of Uzhhorod, Mukachevo and Sighet were major centers of Hasidism. This is the first major scholarly history of Subcarpathian Jewry. *The Carpathian Diaspora* traces the fascinating story of these Jews through three regimes: the Habsburg Empire,

before World War I Czechoslovakia during the interwar years and Hungary during World War II and the Holocaust The book includes maps tables and a photographic essay of community life *Last Judgment Iconography in the Carpathians* John-Paul Himka,2009-01-01 Few subjects in Christianity have inspired artists as much as the last judgment Last Judgment Iconography in the Carpathians examines images of the last judgment from the fifteenth century to the present in the Carpathian mountain region of Ukraine Poland Slovakia and Romania as a way to consider history free from the traditional frameworks and narratives of nations Over ten years John Paul Himka studied last judgment images throughout the Carpathians and found a distinctive and transnational blending of Gothic Byzantine and Novgorodian art in the region Piecing together the story of how these images were produced and how they developed Himka traces their origins on linden boards and their evolution on canvas and church walls Tracing their origins with monks he follows these images increased popularity as they were commissioned by peasants and shepherds whose tastes so shocked bishops that they ordered the destruction of depictions of sexual themes and grotesque forms of torture A richly illustrated and detailed account of history through a style of art Last Judgment Iconography in the Carpathians will find a receptive audience with art historians religious scholars and slavists **Medieval Carpathian Rus'** Aleksei L Petrov,1998 Aleksei L Petrov a Russian historian of the early 20th century spent several decades researching the origins and histories of the people of the Carpathian Mountains This book pays particular attention to the Carpathians as a borderland and to the concept of Rus Rusyns in early medieval Hungary Petrov also provides details concerning the popular Rusyn political leaders of the era Peter Petovych and Fedir Koriatovych

The Ukrainians Andrew Wilson,2022-11-08 As in many postcommunist states politics in Ukraine revolves around the issue of national identity Ukrainian nationalists see themselves as one of the world's oldest and most civilized peoples as older brothers to the younger Russian culture Yet Ukraine became independent only in 1991 and Ukrainians often feel like a minority in their own country where Russian is still the main language heard on the streets of the capital Kiev This book is a comprehensive guide to modern Ukraine and to the versions of its past propagated by both Russians and Ukrainians Andrew Wilson provides the most acute informed and up to date account available of the Ukrainians and their country Concentrating on the complex relation between Ukraine and Russia the book begins with the myth of common origin in the early medieval era then looks closely at the Ukrainian experience under the tsars and Soviets the experience of minorities in the country and the path to independence in 1991 Wilson also considers the history of Ukraine since 1991 and the continuing disputes over identity culture and religion He examines the economic collapse under the first president Leonid Kravchuk and the attempts at recovery under his successor Leonid Kuchma Wilson explores the conflicts in Ukrainian society between the country's Eurasian roots and its Western aspirations as well as the significance of the presidential election of November 1999

Mastery and Lost Illusions Włodzimierz Borodziej,Stanislav Holubec,Joachim Puttkamer,2014-10-15 This volume highlights the specific experiences and challenges of modernity in twentieth century Eastern and Central Europe

Contributors ask how spatial and temporal conditions shaped the region's transformation from a rural to an urban industrialized society in this period and investigate the state's role in the mastery of space particularly in the context of state socialism. The volume also sheds light on the ruralization of cities and mutual perceptions of the rural and urban populations in this region. **The Russian Religious Renaissance of the Twentieth Century** Nicolas Zernov, 1963 **Of the Making of Nationalities There is No End: Speeches, debates, bibliographic works** Paul R. Herbenick, 1997 Sharing Warhol's roots in a Pittsburgh Carpatho-Rusyn community, Herbenick philosophy U of Dayton Ohio pays tribute on the 10th anniversary of the pop artist's death to his work and their heritage rooted in NE Slovakia, Ukraine and Poland. In four studies, ethnographic, biographical, autobiographical and aesthetic, the author traces the style of the creator of pop icons like silk screened Campbell's soup cans and Marilyn Monroe images to the religiously based folk art of Easter egg decorating, pysanky and the sacred icons of the Greek Orthodox church. The only art appears on the cover and is traditional not that of Warhol.
