Sheila D. Jackson, 2008-11-05 Six Sides of Fear takes the reader on a wild suspenseful rollercoaster ride with six tales of fear and hauntings unimaginable Sisters The tumultuous lives of three sisters are narrated by their great aunt From their childhood into their adult lives the two younger sisters are harassed and belittled by their older sister which ultimately leads to murder To Hear the Lions Purr The outskirts of Jellico Tennessee is where Granny lives Her grandson visits every year from Atlanta He learns invaluable lessons about animals from Granny who cares for and operates on countless animals after hunters injure them However he discovers a secret he must keep hidden forever The Star Near the end of slavery the slaves on the Hollister Plantation are abandoned And left to survive on meager rations of food they confiscate from the Big House While waiting for an end to slavery they face a menacing adversary Ceiling Rats After they escape from the Elmira Research Facility malformed recipients of genetic engineering wreak havoc on the residents of the Westfield Home State Hospital They claw at the nerves of four high strung patients putting stress on the mating game between the sultry nurse Clarissa Johnson and the engaged psychiatrist Dr Christopher Sebastian A Man s Scent Charlotte a forty something attorney becomes frustrated with her unsuccessful dating jaunts and goes with friends to visit a soothsayer where she reveals her desire for a husband A portal to the spiritual world is made accessible to Charlotte as Madame Deveraux tries to fulfill Charlotte s request Getting Home After a tiring business trip all Alley wants to do is get home Once home and under the safe covers of her bed Alley hears an intruder Deception of Seven Sacred Vows Kamlesh Chuahan (Gauri), 2013-10-25 I like most of this novel This novel shows some true to life accounts of how Rita woman who grew up in India had to cope with being uprooted from India after getting married to live in America with her new husband where she has to deal with a drastic culture change abusive in laws raising her children who were born in the States and eventually raising her children by herself Early on her journey she had to deal with this with almost no support from family which was made worse because of her husbands beatings Because of this Rita is torn between the dictates of traditional Indian culture and society the call of the flesh and desire to have a better life in the US in spite of having to observe traditional Indian customs and traditions Rita shows a naivete still wanting to have her family intact even if the reality is she might one day end up dead from her husbands beatings This novel also shows how much children growing up from a family that has domestic violence ends up being deeply affected even until the adult years This Novel Predicts The Sentiments of women who seeks acceptance in society hunger for love and respect both in professional and domestic life One need to read this novel This Novel can be good for TV serial both
