The New Objectivity:

New Objectivity Olaf Peters, 2025-02-20 On the eve of its subject's centennial this richly illustrated and meticulously researched catalog celebrates and reconsiders one of the most significant artistic movements of the twentieth century Gustav F Hartlaub's 1925 exhibition *Neue Sachlichkeit* New Objectivity for the Kunsthalle Mannheim was a pivotal event that showcased a new artistic movement in Germany characterized by its critical realism social commentary and detailed depiction of contemporary life it marked a significant departure from Expressionism's emotional intensity But it was divided by two philosophies the unflinching and socially critical Verists Otto Dix George Grosz Georg Scholz and others and the Classicists Alexander Kanoldt Georg Schrimpf and Christian Schad who focused on harmony and beauty This wide ranging survey explores the tension between these camps and interprets it as a coherent chapter in art history Essays by leading experts shed new light on the movement through the lens of regionality while considering a wide spectrum of media architecture design drawings film paintings photography and philosophy Their illuminating texts are accompanied by stunning reproductions of works such as Otto Dix's *Portrait of the Lawyer Dr Fritz Glaser* Georg Scholz's *Of Things to Come* and Marcel Breuer's *Chair B 33* Impeccably produced and researched this volume captures the ways that the New Objectivity proponents mirrored the Weimar period's cultural political and social complexities *New Objectivity* Sergiusz

Michalski, 2003 Drawing on new research from local archives as well as reinterpretations of published literature *Power and the People* describes how England remained governable between 1525 and 1640 despite the wars famine epidemics and dynastic and religious crises of the period The book surveys the mechanisms of authority at various levels from the street and alehouse to the manor and the royal court Maintaining order was a difficult challenge given that England had no standing army or professional police and Alison Wall investigates everything from the roles of village constables to the social cohesiveness that came from civic celebrations and participatory politics Her book provides students with a rich perspective on the social world and political culture of early modern England **European Perspectives on the New Objectivity**

Movement Benedetta Zucconi, Ulrik Volgsten, 2025-12-20 This edited volume offers a new perspective on the new objectivity movement in music during the interwar period challenging the view of it as a solely German or Berlin based movement Unlike architecture or visual arts musicology has rarely applied the term beyond Germany Yet new objectivity in music spanning composition performance and listening had significant European expressions Key features included a rejection of expressionism interest in mechanical reproduction radio gramophone and objective performance styles Through historiographical analysis and diverse case studies from several European countries the book presents the movement as a broader locally rooted phenomenon reflecting a shared *Zeitgeist* It explores how these ideas emerged independently across national contexts offering new insights into the cultural and political dynamics of the period By examining aesthetic institutional political and performative dimensions the book invites a rethinking of new objectivity as a transnational and

multifaceted phenomenon and proposes its relevance as a tool for historiographical inquiry in music studies Journal of the New-York Microscopical Society ,1891 Journalism in the New Millennium Sing Tao School of Journalism,1998

Journal of the Royal Microscopical Society ,1887 *The New Objectivity* Tim Benton,1975 *The American Monthly Microscopical Journal* Romyn Hitchcock, Henry Leslie Osborn, Charles Wesley Smiley, 1889 **Camera Work** ,1913

The Monthly Microscopical Journal Royal Microscopical Society (Great Britain),1875 **The Popular Science Review** ,1873 The Microscope ,1887 *Proceedings of the American Society of Microscopists* American Society of Microscopists,1881 *The Journal of Microscopy and Natural Science* Postal Microscopical Society,1890 **Science** John Michels (Journalist),1886 Vols for 1911 13 contain the Proceedings of the Helminothological Society of Washington ISSN 0018 0120 1st 15th meeting *The Northern Microscopist and Microscopical News* ,1882 *Nature* ,1899 *The Photographic News* ,1880 The Battle for Leningrad David M. Glantz,2002 Based on an unparalleled access to Russian archival sources and going far beyond the military aspects of other historical works Glantz s book is a testament to the nearly two million Russians who lost their lives during the battle for Leningrad 90 illustrations 16 maps *English Mechanic and Mirror of Science* ,1878
