who wants to be known God has put these pictures in the Bible to reveal his character By examining them we discover who God is and why he s worth knowing better And we discover something else who he wants us to be He wants us to copy his picture into our own character Wild Truth Bible Lessons Pictures of God 2 is a guide to 12 God pictures taken straight from the Photo Album They are active Bible lessons for junior high and middle school Sunday school classes or youth group meetings each one based on one of the 50 pictures of God and presented energetically relevantly and scripturally in the companion student book Wild Truth Journal Pictures of God The lessons are loaded with off the wall and easy to do discussion starters video ideas scripts games with a point And of course Bible passages and studies that springboard junior highers from the abstract into the concrete as open Bibles in hand they explore the nature of God in a lively relevant way and then begin practicing in their own lives the traits of God Here s how the lessons are organized Picture Prep grabs your group s attention to prepare them for what s ahead Action Shot takes your students into the Bible to catch God in the act of revealing his character Self Portrait explores the given aspect of God s character how it makes God just that much more awesome and why it s a very good trait for us to have too Print It challenges your students to print God s picture into their own lives by living out his character in an immediately practical way 12 lessons

The New Testament and Literature Stephen D. Cox, 2006 The New Testament may be the most influential book of all time from both a religious and a literary standpoint But while the New Testament s impact upon people s religious beliefs and practices has been analyzed and continues to be analyzed at enormous length and in intricate detail amazingly little has been written about the New Testament s impact as literature

Archaeology and the Ministry of Paul David A. deSilva, 2025-05-20 A fundamental principle of biblical interpretation is the importance of context historical literary and canonical But an often neglected source of context for understanding Scripture is the field of archaeology The physical and cultural world we inhabit affects us deeply and that was no less true for the original writers and readers of Scripture Archaeology provides insights into important questions like What did these believers see day to day What messages did they receive from their environment What social practices influenced them In this first of three planned volumes New Testament scholar David deSilva uses archaeological findings to explore the places the apostle Paul ministered and his audiences lived This visually compelling and beautifully designed book contains more than 250 full color photographs of sites and artifacts deSilva focuses on the fruits of archaeology in regard to the sites associated with the ministry of Paul in Acts and in Paul s own writings The combination of photos and text helps readers understand the real life situations Paul addressed This volume will be an important supplemental textbook for courses on the New Testament and for anyone who wants to better understand the lived context of Paul and his readers
