THE NEWGATE NOVEL

1830-1847

The Newgate Novel 1830 1847

Keith Hollingsworth

The Newgate Novel 1830 1847:

The Newgate Novel, 1830-1847 Keith Hollingsworth, 1963 *The Newgate Novel, 1830-1847* Keith Hollingsworth, 1963

The Newgate Novel, 1830-1847. Bulwer, Ainsworth, Dickens & Thackeray ... With Illustrations by George Cruikshank, Hablot K. Browne, & W.M. Thackeray. (Edited by Barbara Woodward.). Keith HOLLINGSWORTH, 1963

The Cambridge Companion to the Victorian Novel Deirdre David, 2001 In *The Cambridge Companion to the Victorian Novel* first published in 2000 a series of specially commissioned essays examine the work of Charles Dickens the Brontës George Eliot and other canonical writers as well as that of such writers as Olive Schreiner Wilkie Collins and H Rider Haggard whose work has recently attracted new attention from scholars and students The collection combines the literary study of the novel as a form with analysis of the material aspects of its readership and production and a series of thematic and contextual perspectives that examine Victorian fiction in the light of social and cultural concerns relevant both to the period itself and to the direction of current literary and cultural studies Contributors engage with topics such as industrial culture religion and science and the broader issues of the politics of gender sexuality and race The Companion includes a chronology and a comprehensive guide to further reading

The Newgate Novel, 1830-1847. Bulwer, Ainsworth, Dickens & Thackeray ... With Illustrations by George Cruikshank, Hablot K. Browne, & W.M. Thackeray. (Edited by Barbara Woodward.). Keith Hollingsworth, Barbara Woodward, 1963 **The Newgate Novel 1830-1847: Bulwer, Ainsworth, Dickens, & Thackeray by Keith Hollingsworth** Keith Hollingsworth, 1963

The Cambridge Companion to Crime Fiction Martin Priestman, 2003-11-06 This Companion covers British and American crime fiction from the eighteenth century to the end of the twentieth As well as discussing the detective fiction of writers like Arthur Conan Doyle Agatha Christie and Raymond Chandler it considers other kinds of fiction where crime plays a substantial part such as the thriller and spy fiction It also includes chapters on the treatment of crime in the eighteenth century literature French and Victorian fiction women and black detectives crime on film and TV police fiction and postmodernist uses of the detective form

The Newgate Novel Keith Hollingsworth, 1963 **James Joyce, Sexuality and Social Purity** Katherine Mullin, 2003-07-10 In *James Joyce Sexuality and Social Purity* Katherine Mullin offers a richly detailed account of Joyce's lifelong battle against censorship Through prodigious archival research Mullin shows Joyce responding to Edwardian ideologies of social purity by accentuating the contentious or offensive elements in his work The censorious ambitions of the social purity movement Mullin claims feed directly into Joyce's writing Paradoxically his art becomes dependent on the very forces that seek to constrain and neutralize its revolutionary force Acutely conscious of the dangers censorship presented to publication Mullin shows Joyce revenging himself by energetically ridiculing purity campaigns throughout his fiction *Ulysses* *A Portrait of the Artist as a Young Man* and *Dubliners* all meticulously subvert purity discourse as Joyce pastiches both the vice crusaders themselves and the imperilled Young Persons they sought to protect This important book will change the way

Joyce is read and offers crucial insights into the sexual politics of Modernism Cult Criminals William Harrison Ainsworth, 1998 *Cult Criminals* is a set of early Victorian novels sensationally popular with readers and of immense influence in the development of the novel form All six novels commonly labelled Newgate novels scandalized the Victorians by glamorizing criminals and led to a bitter literary controversy between Dickens and Thackeray who damned the former's *Oliver Twist* as a Newgate novel At the heart of the Newgate debate lay questions concerning the moral and social function of the novel the relationship between romance and realism in fiction and whether crime should be portrayed in fiction at all The Newgate novels function as a bridge between the eighteenth century tradition of crime fiction and the detective and crime novels of the nineteenth and twentieth centuries as well as encapsulating many of the social and cultural shifts that took place in the early Victorian period **Crime, Courtrooms and the Public Sphere in Britain, 1700-1850** David Lemmings, 2016-05-13 Modern criminal courts are characteristically the domain of lawyers with trials conducted in an environment of formality and solemnity where facts are found and legal rules are impartially applied to administer justice Recent historical scholarship has shown that in England lawyers only began to appear in ordinary criminal trials during the eighteenth century however and earlier trials often took place in an atmosphere of noise and disorder where the behaviour of the crowd significant body language meaningful looks and audible comment could influence decisively the decisions of jurors and judges This collection of essays considers this transition from early scenes of popular participation to the much more orderly and professional legal proceedings typical of the nineteenth century and links this with another important shift the mushroom growth of popular news and comment about trials and punishments which occurred from the later seventeenth century It hypothesizes that the popular participation which had been a feature of courtroom proceedings before the mid eighteenth century was not stifled by lawyerization but rather partly relocated to the public sphere of the press partly because of some changes connected with the work of the lawyers Ranging from the early 1700s to the mid nineteenth century and taking account of criminal justice proceedings in Scotland as well as England the essays consider whether pamphlets newspapers ballads and crime fiction provided material for critical perceptions of criminal justice proceedings or alternatively helped to convey the official majesty intended to legitimize the law In so doing the volume opens up fascinating vistas upon the cultural history of Britain's legal system over the long eighteenth century **The Newgate Novel, 1830-1847** Joseph Keith Hollingsworth, 1960 G.W.M. Reynolds Anne Humpherys, 2017-03-02 G W M Reynolds 1814 1879 had a major impact on the mid Victorian era that until now has been largely unacknowledged A prolific novelist whose work had a massive circulation and an influential journalist and editor he was a man of contradictions in both his life and writing a middle class figure who devoted his life to working class issues but seldom missed a chance to profit from the exploitation of current issues the founder of the radical newspaper *Reynolds Weekly* as well as a bestselling author of historical romances gothic and sensation novels oriental tales and domestic fiction a perennial bankrupt who nevertheless ended his life

prosperously A figure of such diversity requires a collaborative study Bringing together a distinguished group of scholars this volume does justice to the full range of Reynolds s achievement and influence With proper emphasis on new work in the field the contributors take on Reynolds s involvement with Chartism serial publication the mass market periodical commodity culture and the introduction of French literature into British consciousness to name just a few of the topics covered The Mysteries of London the century s most widely read serial receives the extensive treatment this long running urban gothic work deserves Adding to the volume s usefulness are comprehensive bibliographies of Reynolds s own writings and secondary criticism relevant to the study of this central figure in mid nineteenth century Britain **Dickens's Villains** Juliet John,2003 This study argues that Dickens villains embody the crucial fusion between the deviant and theatrical aspects of his writing **Colonial Law in India and the Victorian Imagination** Leila Neti,2021-04-22 Situated at the intersection of law and literature nineteenth century studies and post colonialism Colonial Law in India and the Victorian Imagination draws on original archival research to shed new light on Victorian literature Each chapter explores the relationship between the shared cultural logic of law and literature and considers how this inflected colonial sociality Leila Neti approaches the legal archive in a distinctly literary fashion attending to nuances of voice character diction and narrative while also tracing elements of fact and procedure reading the case summaries as literary texts to reveal the common turns of imagination that motivated both fictional and legal narratives What emerges is an innovative political analytic for understanding the entanglements between judicial and cultural norms in Britain and the colony bridging the critical gap in how law and literature interact within the colonial arena **Fiction, Crime, and the Feminine** Rédouane Abouddahab,2011-01-18 The form of art called fiction has always been the privileged framework providing the perfect alibi for facing framing and containing the Other s desire and the strange libido attached to violence in other words there is an ambivalent dimension inherent in the scenarios and fantasies we enjoy by proxy Are not the fairy tales of our childhood full of images of death and violence whose fascinating presence is paradoxically meant to make us feel all the more safely tucked up in bed After all the wolf or the Little Red Riding Hood the monstrous killer or the unfortunate victim are but fictitious characters mere shifting positions they are not me therefore thanks to the willing suspension of disbelief process any reading I may shift into their speech or thoughts on the fictional screen a stage both for projection of and protection from such forbidden enjoyments Crime fiction has also for a long time been the genre for such containment Ever since Victorian craniology criminal violence has remained as resistant as ever to scientific measurement even to the more recent techniques of investigation of the brain Where women are concerned they were first and mostly fascinating victims but they also nowadays feature in the role of the criminals adding to the first fascination the mystery of a woman s desire beyond the pale of societal expectations Indeed more and more pieces of crime fiction nowadays refuse to grant the simple pleasures of old what if for example the text refuses to comply to the whodunnit convention What about those stories that instead of closure will diffuse a mist a sense of

unrest by their emphasis on the inexplicable lure of violence In other words gone are the days of the satisfaction granted by traditional closure and return to a solidly structured society made safe again by the disposal of the scene of violence But writing as such is also to be taken into consideration and what forcefully determines the writing is not only the historical trauma whose active presence in the fiction cannot be denied but especially some unresolved traumatic event or exclusion that makes one write and through the writing quest bliss but that also makes one renounce the attachment to the inevitably lost bliss *The Newgate Novel, 1830-1847; Bulwer, Ainsworth, Dickens Thackeray. With Illus. by George Cruikshank, Hablot K. Browne, W.M. Thackeray* Keith Hollingsworth,1963 *Victorian Periodicals Review* ,2002 *Victorian Periodicals Newsletter* ,2002 *The Novelist as Historian: a Study of the Early Victorian Historical Fiction, 1828-1850* James Coleman Simmons,1966
