The Nomad Song:

The Nomad Song Kerry Iona Dempster,1999-01-01 *Electronica, Dance and Club Music* Mark J. Butler,2017-07-05

Discos clubs and raves have been focal points for the development of new and distinctive musical and cultural practices over the past four decades This volume presents the rich array of scholarship that has sprung up in response Cutting edge perspectives from a broad range of academic disciplines reveal the complex questions provoked by this musical tradition Issues considered include aesthetics agency the body in dance movement and space composition identity including gender sexuality race and other constructs musical design place pleasure policing and moral panics production techniques such as sampling spirituality and religion sub cultural affiliations and distinctions and technology The essays are contributed by an international group of scholars and cover a geographically and culturally diverse array of musical scenes Complicating, Considering, and Connecting Music Education Lauren K. Richerme,2020-05-05

In Complicating Considering and Connecting Music Education Lauren Kapalka Richerme proposes a poststructuralist inspired philosophy of music education Complicating current conceptions of self other and place Richerme emphasizes the embodied emotional and social aspects of humanity She also examines intersections between local and global music making Next Richerme explores the ethical implications of considering multiple viewpoints and imagining who music makers might become Ultimately she offers that music education is good for facilitating differing connections with one's self and multiple environments Throughout the text she also integrates the writings of Gilles Deleuze and Félix Guattari with narrative philosophy and personal narratives By highlighting the processes of complicating considering and connecting Richerme challenges the standardization and career centric rationales that ground contemporary music education policy and practice to better welcome diversity Commentary on the Song of Songs and Ecclesiastes Franz Delitzsch,1891 *The Frontier Imaginary in the Song Dynasty (960-1279)* Irene S. Leung,2001
