## The Obvious

**K Payea**

## **The Obvious:**

The Obvious Choice Jonathan Goodman, 2025-01-14 Trying to win the internet is a gloriously inefficient way to build a business No matter your goals The Obvious Choice offers 15 essential lessons on profit and success that are timeless because they prioritize the humans who buy from you and not erratic and temperamental algorithms Jonathan Goodman one of the world's leading experts on helping people simplify their business reveals proven frameworks for increasing efficiency praying to the social media gods less and mastering the art of finding your customers Backed by a wide range of case studies Goodman shows how modern marketing technology has led us astray That start ups and established organizations alike have bought into the misguided idea that they need to become famous on the internet just to make a few sales If you're having trouble finding your way the problem isn't you The problem is what you've been made to believe it takes to succeed This book is for any marketer business owner coach or entrepreneur who wants an easier way to make more money help more people and have more freedom by avoiding wasted time and resources on dead ends and ineffective methods Specifically you'll learn how to Build trust in business relationships through community specificity and familiarity Apply the four step content creation framework designed for business owners not influencers to get more customers because likes don't pay the bills Improve profitability by cutting out the work not worth doing Algorithms change humans don't No matter who you are and no matter what you sell your customer is a human And yet marketing these days feels so inhuman Filled with frameworks entertaining stories and admittedly bad Dad jokes The Obvious Choice is a much needed recalibration and at times a refreshing slap for a business generation that's lost its way Buy this book to learn how to earn more and compete less in this much needed approach to success in a crowded marketplace

**Beyond the Obvious** Phil McKinney, 2012-02-07 The Killer Questions Your Company Should Be Asking Generating and executing great ideas is the key to staying ahead in a rapidly changing world It seems so basic Why is it so hard to actually get right According to innovation expert Phil McKinney the real problem is that we're teaching people to ask the wrong questions about their businesses or none at all There has to be a better way In Beyond the Obvious McKinney will help you use his proven FIRE Focus Ideation Rank Execution Method to dig deeper and get back to asking the right questions the ones all companies must ask to survive Full of real world examples this book will change the way you operate innovate and create and it all begins with battle tested questions Phil has gathered on note cards throughout his career Shared for the first time here these Killer Questions include What are the rules and assumptions my industry operates under What if the opposite were true What will be the buying criteria used by my customer in 5 years What are my unshakable beliefs about what my customers want Who uses my product in ways I never anticipated These questions will reframe the way you see your products your customers and the way the two interact Whether you're a company of thousands or a lean startup Beyond the Obvious will give you the skills and easy to follow plan you need to make both the revolutionary changes and nuanced tweaks required for success Praise for Beyond the Obvious

Human beings are creatures of habit so getting ourselves and our teams to think beyond the obvious is a challenge we face all the time Phil McKinney is an innovation expert and his killer questions and hit the spot anecdotes provide a great way to get out in front of opportunities we otherwise won't see Geoffrey Moore author of Crossing the Chasm and Escape Velocity I've always believed that asking the right questions is the essence of design Phil McKinney proves that point with this wonderful set of killer questions that will jumpstart or greatly enhance your innovation efforts B Joseph Pine II co author The Experience Economy Infinite Possibility Product Innovation is a prerequisite to building great brands Phil's questions are a prerequisite to building innovative products Satjiv S Chahil former global marketing chief Apple

### **In Search of the**

**Obvious** Jack Trout,2008-12-22 This is the first book that states the obvious Marketing is a mess Marketing guru Jack Trout intends to make a lot of people who made the mess very uncomfortable Advertisers are criticized as people who look for the creative and edgy not the obvious They will not be happy Marketing people are criticized for getting hopelessly entangled in corporate egos and complicated projects They will not be happy Research people are criticized for generating more confusion than clarity They will not be happy Some big companies are criticized for their ill fated marketing programs or lack of proper strategy They will not be happy Wall Street is criticized for putting too much emphasis on growth that is unnecessary and can be destructive to a brand They will just ignore this criticism and continue trying to make as much money as they can But this is a book not written to make people happy but to explain to marketers what their real problem is Only then will they begin to look for the obvious solutions that will separate their products from their competitors in a way that is equally obvious to customers All this comes with no jargon no numbers no complexity and a great deal of common sense

Many libraries have digital catalogs where you can borrow The Obvious eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Obvious full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Obvious eBooks, including some popular titles.

## FAQs About The Obvious Books

**What is a The Obvious PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Obvious PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Obvious PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFEscape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Obvious PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Obvious PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
