Walter Scott

The Of Being:

The Poetry of Being and the Prose of the World in Early Greek Philosophy Victoria Wohl, 2025-08-27 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program Visit www.luminosoa.org to learn more The Presocratic philosophers writing in Greece in the sixth and fifth centuries BCE invented new ways of thinking about human life the natural world and structures of reality They also developed novel ways of using language to express their thought In this book Victoria Wohl examines these innovations and the productive relation between them in the work of five figures Parmenides Heraclitus Empedocles Anaxagoras and Democritus Bringing these thinkers into conversation with modern critical theorists on questions of shared concern Wohl argues for the poetic sophistication of their work and the inextricable convergence of their aesthetic form and philosophical content In addition to offering original readings of these fascinating figures and robust strategies for interpreting their fragmentary rebarbative texts this book invites readers to communicate across entrenched divisions between literature and philosophy and between antiquity and modernity

The business of being a woman Marijn Smeets, 1997 [The Science of Being as Being](#) George Couvalis, 2024-12-17 This book aims to focus the discussion of metaphysics by introducing it via Aristotle's view that it is the science of being as being and delineating key types of being through the various chapters Figures covered briefly include Aristotle Heraclitus Protagoras Ockham Leibniz Locke Hume and Russell Neglected and important arguments by figures like Aquinas and Ockham are brought to light Each chapter is divided into short and easily readable sections including an introduction which raises a problem an account of key views criticisms of those views and a brief conclusion There are also recommended further readings at the end of each chapter which would be useful to anyone teaching a topic in the area

[The Adventure of Being Human II: Mother Spirit Speaks](#) Jerry Lane, 2015-03-01 The central deity personalities of the Urantia Revelation are humanity's spiritual parents Christ Michael or Jesus and his coequal partner Mother Spirit In this sequel to *The Adventure of Being Human Lessons on Soulful Living from the Heart of the Urantia Revelation* the focus is exclusively on Mother Spirit the all loving omnipresent mother of us all She is the reality behind all of the cherished notions of a divine mother throughout human history as well as the majestic source of the Holy Spirit and of life itself In this charming guide you will learn all about her and discover how she regards the unique challenges of being human She will explain why our lives on this complex and sometimes dangerous planet offer an ideal setting for our adventures of soul growth This book provides a selection of Mother Spirit's teachings from her many years of live transmission sessions along with rich supporting materials Her unprecedented and delightful instructions on the art of soulful living are more accessible than ever before

Cultural Realities of Being Nandita Chaudhary, S. Anandalakshmy, Jaan Valsiner, 2013-10-23 *Cultural Realities of Being* offers a dialogue between academic activity and everyday lives by providing an interface between several perspectives on human conduct Very often academic pursuits are arcane and obscure for ordinary people this book will

attempt to disentangle these dialogues lifting everyday discourse and providing a forum for advancing discussion and dialogue Nandita Chaudhary S Anandalakshmy and Jaan Valsiner bring together contributors from the field of cultural psychology to consider how people living within social groups regardless of how liberal are guided by collective reality and interconnected with life circumstances The book discusses experiences and events in the lives of people of Indian cultures covering topics including family food pilgrimages social dynamics and truth in order to expand the material on human phenomena under the broad frame of cultural psychology The book builds upon rich cultural traditions present in India and precisely because of this focus the book has much larger implications and relevance to the field and aims to orient the academic reader from around the world to viewing India and Indian society as a valuable area for research Divided into three sections the book covers Social presentation in culture Representing relations Children and youth in culture This book includes commentaries from expert academics from outside of India providing a bridge between academic reality and cultural discourse and throwing fresh light on the everyday events presented in the text Cultural Realities of Being will be essential reading for those studying Cross Cultural Psychology as well as those interested in social representation and identity *The Bookman* ,1894 Man mortal: being a reply to Mr. F. W. Grant's "Life and Immortality," etc Robert ROBERTS (Christadelphian.),1875 **The Bagford Ballads: Illustrating the Last Years of the Stuarts** ,1878
