**Greek Islands** Lawrence Durrell,2011-12-15 Lose yourself in this dazzling travelogue of the idyllic Greek Islands by the king of travel writing and real life family member of The Durrells in Corfu Incandescent Andr Aciman Invades the reader s every sense Remarkable Victoria Hislop Nobody knows the Greek islands like Durrell New York Times White washed houses drenched in pink bougainvillea dazzling seascapes and rugged coastlines colourful harbours in quaint fishing villages shady olive and cypress groves terraces bathed in the Aegean sun The Greek islands conjure up a treasure chest of images but nobody brings them to life as vividly as the legendary travel writer Lawrence Durrell It was during his youth in Corfu which his brother Gerald fictionalised in My Family and Other Animals later filmed as The Durrells In Corfu that his love affair with the Mediterranean began Now in this glorious tour of the Greek islands he weaves evocative descriptions of these idyllic landscapes with insights into their ancient history and shares luminous personal memories of his time in the local communities No traveller to Greece or admirer of Durrell s magic should miss it Masterly Casts a spell Jan Morris Our last great garlicky master of the vanishing Mediterranean Richard Holmes Like long letters from a civilized and very funny friend the prose as luminous as the Mediterranean air he loves Time    [The Greek Islands](#) Ernle Dusgate Selby Bradford,1966

**Greek Waters Pilot** Rod and Lucinda Heikell,2025-06-26 Greek Waters Pilot is the definitive cruising guide to the coasts and islands of Greece covering the entire area from the Ionian Islands to the Aegean Rhodes and Crete and includes details of over 450 harbours and anchorages in a single volume Greek Waters Pilot has been painstakingly compiled from Rod and Lucinda Heikell s own survey work and exploration over four decades as well as first hand information from their network of contributors The organisation of so much detail within the confines of a single volume is impressive This fifteenth edition has again been thoroughly updated to reflect developments and changes across the whole region Enriched with fascinating historical mythological and gastronomic information Greek Waters Pilot is an incomparable resource and companion for anyone planning to spend time in these endlessly enticing waters    **The Venetian Empire** Jan Morris,1990-01-04 For six centuries the Republic of Venice was a maritime empire its sovereign power extending throughout much of the eastern Mediterranean an empire of coasts islands and isolated fortresses by which as Wordsworth wrote the mercantile Venetians held the gorgeous east in fee Jan Morris reconstructs the whole of this glittering dominion in the form of a sea voyage travelling along the historic Venetian trade routes from Venice itself to Greece Crete and Cyprus It is a traveller s book geographically arranged but wandering at will from the past to the present evoking not only contemporary landscapes and sensations but also the characters the emotions and the tumultuous events of the past The first such work ever written about the Venetian Stato da Mar it is an invaluable historical companion for visitors to Venice itself and for travellers through the

lands the Doges once ruled     **The Greek Achievement** Charles Freeman,2000-09 Drawing on the most recent research Freeman provides a new generation of readers with a comprehensive account of Greek history over 2000 years He describes the early settlements the wars with the Persian empire the rise of Macedonia and more     **Reference Guide for Travellers** Jack A. Neal,1969     **Bradford, Ernle The Companion Guide to the Greek Islands** ,1964     East Aegean Rod and Lucinda Heikell,2021-07-01 The expanded third edition of this popular cruising guide encompasses the Greek Dodecanese islands and the Turkish coast eastwards from the Samos Strait to Kas and Kekova Fully illustrated with up to date plans and numerous new photographs it is packed with all the essential information for getting to the area formalities and sailing these beautiful cruising grounds There is a level of further detail to this coverage in terms of anchorages and other destinations than is found in the Heikell s Greek Waters Pilot and Turkish Waters and Cyprus Pilot This handy guide also whets the appetite for the local cuisine and culture and gives some historic context to exploration ashore The fantastic background information with historical and mythological anecdotes gives a richness too often missing from bald pilot guides Royal Cruising Club no East Med cruiser will want to sail without a copy Yachting Monthly     **The Dodecanese and the East Aegean Islands** Marc Dubin,2002 A comprehensive handbook to the two scenic archipelagos of the Dodecanese and East Aegean this guide contains a full colour section introducing the islands highlights plus critical reviews of the best places to stay eat and drink The book also provides detailed coverage of the best hikes unspoilt beaches and historic monuments and practical guidance on local transport and inter island ferries Boat and bus schedules are included     **Greek Islands** Mark Ellingham,1998 Touring the islands is easy with this new customized edition of The Rough Guide s classic Greece guide which features coverage of each of the country s inhabited islands from tourists honey pots to the most remote outposts 77 maps of color photos     West Aegean Rod and Lucinda Heikell,2025-04-16 Rod and Lucinda Heikell s West Aegean covers the coasts and islands near Athens the adjacent islands in the Cyclades and the Eastern Peloponnisos to Monemvasia Also covered is the mainland coast of Greece from Sounion to Volos and the adjacent coast of Evia and the Northern Sporades including Sk athos and Sk pelos West Aegean is a companion guide which provides details of places that are mentioned only lightly in Greek Waters Pilot It is particularly useful for charterers flotilla sailors and others based in the area There is in depth information on getting around places to visit on land and background information which cover topics ranging from food and wine to Greece s Classical past and ancient sites Rod and Lu Heikell s writing is acclaimed and their pilotage notes supported by plans and photographs many of which have been taken by Lu are regarded as the last word on the areas that they cover     **Travelaid Guide to Greece** Michael Haag,Neville Lewis,1978     Ionian Rod and Lucinda Heikell,2023-10-13 Now celebrating its eleventh edition Ionian has once again been thoroughly updated with new photos and plans Covering the coast and islands southwards from Corfu to Finakounda and eastwards to Mesolongion this much loved guide contains more detail of many of the smaller anchorages and harbours than are comprehensively covered in Rod Heikell s Greek Waters Pilot

Like its companions West Aegean and East Aegean Ionian is ideal for charterers and flotilla sailors who are onboard for a relatively short time but also for longer term cruisers on their own yachts who are looking for additional pilotage and background information for this popular cruising ground As with all the Heikell guides Ionian not only gives all the essential information you need but also exudes the charm and flavour of this corner of the Mediterranean Heikell's style is easy to digest and gives pleasure in the details of the history geography and social circumstances of the places described as well as the essential sailing information The Little Ship This book as well as being a practical manual on Ionian cruising seems to have absorbed much of the author's personal feelings regarding the charm which draws him back to it and any reader who has had a whiff of the magic spell of the Greek islands will sense this and inevitably renew the resolve to return and experience it once again in greater measure Nautical Magazine Rod Heikell nowadays is to the Mediterranean as gin is to tonic It is difficult to imagine sailing there without one of his guides Clear pilot notes chartlets and plentiful illustrations with entertaining commentaries on each place Up to date observations on local and national regulations The new edition does not disappoint If one must choose I would have no hesitation in recommending Heikell Cruising Association Rod has a knack for dropping in snippets of interest and colour to give the reader a feel for the atmosphere of each port or bay Yachting Monthly Like all Rod Heikell's pilots it is also a travel guide in its own right Ionian Magazine The sailing directions are particularly useful when entering the smaller anchorages and harbours for which little information is to be found on charts and include excellent harbour plans and top quality aerial photographs Flying Fish Magazine Ocean Cruising Club *Groc's Companion Guide to the Greek Islands* Geoffrey O'Connell, 1990-01-01 Allows the reader to make a value judgement in respect to inhabited Greek islands Outlines each island's archaeology history and places of interest as well as the main resorts ports and towns *The Island Princes of Greece* Charles A. Frazee, Kathleen Frazee, 1988 *The New York Times Book Review*, 1965
