Hofmann,2015 At the 2015 Nordic Ski World Championship in the Swedish resort Falun the World Championship in women s ski jumping will be conducted Women s ski jumping did not have a smooth way to become an internationally acknowledged and accepted sport However that struggle is no longer discussed In many European countries women s ski jumping regularly gets TV coverage and the print media covers it in its sports sections This book aims to give insight into the at least 150 year history of women s ski jumping from its beginnings until it became an Olympic sport in the 2014 Sochi Games It shows the struggle and effort of female ski jumpers coaches families and others to make this sport internationally recognized and accepted The chapters reflect a collection of research done by international authors Due to the accessibility of sources the main focus is on Europe and North America However we do not claim to offer a complete history there are many histories of women s ski jumping depending on the geographic location We tried to avoid an overlapping of contents which was not always possible because each chapter was to be an entity in itself In the future still bit by bit little pieces have to be added to the puzzle to gain a complete picture of the evolution of this sport Although all authors have an academic background in sport history and or sport sociology and sport media the book is aimed to appeal to the

general public For all those readers who are interested in more details footnotes and references are added **Pine Mountain Ski Jump** John Dougoveto,2018 *The Ski Bulletin* ,1937 Calgary '88, the Official Book of the International Olympic Committee International Olympic Committee,1988 **Ski Style** Annie Gilbert Coleman,2004 Coleman traces skiing from its Norse roots and Alpine influences through the utility of ski travel in the winter Rockies to the rise of Colorado resorts Much more than a history of the sport her work explains how the recreation industry sold the experience of skiing and created mythic mountain landscapes with real problems and a ski culture that exalts celebrity and status over the physical act of skiing Jacket **We Jumped** Thomas Remington,2015-07-01 Proceeds from the sale of this book go to the Ski Museum of Maine and the Maine Ski Hall of Fame This book is a trip through memory lane of two brothers Bob and Tom Remington who along with their father Clarence Rockin Chair Remington grew up ski jumping This recounts ski jumping in Maine New Hampshire and surrounding areas during the 1950s 60s 70s and 80s through the eyes of the two brothers They discuss ski jumping history including prolific and not so prolific ski jumpers locations of ski jumps along with years of recalled stories and important memories I believe that history becomes more important to us as we age My mother recently gave me her writings from many years ago It told of her childhood and the times in which she lived were fascinating My father passed in 1975 at the young age of 51 At 26 years in age I didn't realize how much it would have meant many years later to know more about him and his childhood and experiences before my time Several years after his passing Mom told me about his days in skiing She told of an exceptional four event skier with an amazing gift in the cross country event He won races by minutes He was unbeatable as a racer at Andover High School He was offered a scholarship by UNH and was to be the roommate of Ralph Townsend and Ed Styrna Townsend went on to become a member of the 1948 US Olympic Nordic Combined team legendary coach at Williams College and was inducted into the US Ski Hall of Fame in 1975 Ed Styrna the legendary track coach at UMaine an outstanding track athlete received his induction into the Maine Running Hall of Fame in 1999 When our team traveled to Williams College for their winter carnival in 1972 Ralph Townsend sought me out when he saw my name on the start list He asked me if I was one of Clarence Remington's sons I was not surprised It happened frequently How is Rockin Chair he asked I said Good as always I didn't know Dad would live only three more years Forty years later I regret that I didn't have the foresight to realize that one day I would want to know every little detail associated with his times How did he get his start in skiing What did he use for equipment Who coached him How did he train And of course each of these questions would lead to many more Why didn't he accept that UNH scholarship He fell in love got married and raised a family He never looked back Did he ever regret his decision If he did he never show it What you are about to read comes from what my brother and I could remember of our days in ski jumping After months of pondering we decided that we wanted to provide a feeling for what it was like growing up on skis in Western Maine in the 1950 s 60 s and 70 s In so doing we chose ski jumping for it was a passion filled sport which is sadly missing from the lives of our youth in the

21st century In this day of enthusiasm for extreme winter sports why isn't ski jumping part of that culture in the winter wonderland of the state of Maine Though I am a retired teacher and ski coach at age 66 I have not yet considered working on my bucket list but when I do I know of two items that will be on that list 1 I hope this book sells millions of copies All profits of the selling of this book will go to the Ski Museum of Maine We need to preserve our history 2 Before I pass I would like to stand beside the outrun of a ski jump in the great state of Maine with many of my ski jumping peers and witness a ski jumping competition We thank you for your donation to the Ski Museum of Maine and hope you thoroughly enjoy your journey into the past
