[The Norseman](#), 2004 *The Ski Jumpers* Peter Geye, 2022-09-13 Now in paperback a writer and former ski jumper facing a terminal diagnosis takes one more leap into a past of soaring flights and broken family bonds. A brilliant ski jumper has to be fearless Jon Bargaard remembers this well. His memories of daring leaps and risks might be the key to the book he's always wanted to write a novel about his family beginning with Pops once a champion ski jumper himself who also took Jon and his younger brother Anton to the heights. But Jon has never been able to get past the next ruinous episode of their history and now that he has received a terrible diagnosis he's afraid he never will. In a bravura performance Peter Geye follows Jon deep into the past he tried so hard to leave behind telling the story he spent his life escaping. It begins

with a flourish his father and his hard won sweetheart fleeing Chicago and a notoriously ruthless gangster to land in North Minneapolis That at least was the tale Jon heard one that becomes more and more suspect as he revisits the events that eventually tore the family in two sending his father to prison his mother to the state hospital and placing himself a teenager in charge of thirteen year old Anton Traveling back and forth in time Jon tells his family s story perhaps his last chance to share it to his beloved wife Ingrid circling ever closer to the truth about those events and his own part in them and revealing the perhaps unforgivable violence done to the brothers bond The dream of ski jumping haunts Jon as his tale unfolds daring time to stop just long enough to stick the landing As thrilling as those soaring flights as precarious as the Bargaard family s complicated love as tender as Jon s backward gaze while disease takes him inexorably forward Peter Geye s gorgeous prose brings the brothers to the precipice of their relationship where they have to choose each other or the secrets they ve held so tightly for so long Cover alt text Lightly gradiented periwinkle sky background with white cloud in upper right corner and snow in lower left At top a cutout black and white image of a ski jumper appears and is cut off at the neck Foreground Book title in all caps red with author name beneath in all caps white and A Novel beneath in all cap dark grey All text reads at a motion slant *Troll's Cathedral* Ólafur Gunnarsson,1996 An obsessed architect s dream to build a majestic cathedral ends when his son is beaten and sexually assaulted After that the architect goes to pieces By an Icelandic writer **Norway**
