**J Elliott**

## **The Hoxne Treasure:**

**The Hoxne Treasure, and Illustrated Introduction**, 1993      The Hoxne Treasure Roger Bland, Catherine Johns, 1995  
The Hoxne hoard is one of the richest Roman treasures ever to have been discovered The 14 780 coins and 200 gold and silver objects were found in a field in Suffolk in 1992 and excavated by the Suffolk Archaeological Unit This book is a full illustrated introduction to this early 5th century treasure      **The Hoxne Late Roman Treasure** Catherine Johns, 2010  
discovered in Suffolk in November 1992 Buried in the fifth century ad the spectacular finds included twenty nine superb pieces of gold jewellery a dozen silver vessels nearly a hundred silver spoons and about forty additional silver objects as well as numerous objects made of ivory bone and wood and more than 15 000 coins      **The Late Roman Gold and Silver Coins from the Hoxne Treasure** Peter S. W. Guest, Trustees of the British Museum, 2005      **The Late Roman Gold and Silver Coins from the Hoxne Treasure** Peter Guest, 2004-12      **The Hoxne Late Roman Treasure** Catherine Johns, Roger Bland, 1994      **Valuation Evidence for the Hoxne Treasure** Great Britain. Treasure Trove Reviewing Committee, 1994  
Valuation Evidence for the Hoxne Treasure Great Britain. Department of National Heritage, Great Britain. Treasure Trove Reviewing Committee, 1994      **Ancient Treasures** Brian Haughton, 2013-07-22 The author of Hidden History offers a fascinating tour through centuries of buried riches stolen artifacts and other true tales of treasure The allure of treasure has captivated people for centuries But is it purely a desire for wealth that draws us to tales of hidden riches or is it also the romantic appeal of uncovering lost ancient artifacts The stories behind the loss and recovery of ancient treasures often read like historical suspense fiction In Ancient Treasures readers discover the true histories of lost hoards looted archaeological artifacts and sunken treasures including The Sevso Treasure a hoard of large silver vessels from the late Roman Empire estimated to be worth 200 million looted in the 1970s and sold on the black market The Amber Room a chamber decoration of amber panels backed with gold leaf and mirrors stolen by the Nazis in 1941 and brought to the castle at K nigsberg in Russia from which it disappeared The fabulous wealth of Roman and Viking hoards buried in the ground for safekeeping only to be unearthed centuries later by humble metal detectorists The wrecks of the Spanish treasure fleets whose New World plunder has been the target of elaborate salvage attempts by modern treasure hunters      Treasure Richard Hobbs, 2003  
Treasure which comes from the Greek word thesauros has a number of meanings in modern parlance Buried treasure and sunken treasure are concepts which many have grown up with either through reading books or playing computer games The combination of precious objects such as gold and silver or rare gems and the discovery of these is the essence of how treasure is perceived by twenty first century minds For archaeologists however the word treasure has a rather particular meaning as a legal definition of a certain class of archaeological find What is Treasure gives a brief overview of the history of treasure including the origins of the law of Treasure Trove in England and Wales and the events which led to its revision in 1996 Finding the Past examines the ways in which many objects have come to light through accidental discovery metal

detecting and construction work Treasure tells Stories shows how archaeologists can use treasure finds to understand more about the past by examining major finds such as Mildenhall Winchester English Civil War hoards and the Vikings on Anglesey Small Things Forgotten considers the archaeological significance of single finds such as medieval toys and finger rings Finally Our Precious Past looks at the importance of responsible reporting by amateurs and the difficulties presented by unprovenanced objects and illegal trade

**The Origins of Suffolk** Peter M. Warner,1996 This book gives details of recent excavations at sites of international significance such as Sutton Hoo West Stow and Brandon It covers the history and archaeology of Suffolk from the time of the first farmers to the coming of the Normans

*The Jewellery Of Roman Britain* Dr Catherine Johns,Catherine Johns,2013-02-01 This work provides a survey of the jewellery of Roman Britain Fully illustrated and accessible to both the specialist and amateur enthusiast it surveys the full range of personal ornament worn in Britain during the Roman period the 1st to 4th centuries AD It emphasizes the presence of two distinct cultural and artistic traditions the classical element introduced by the Romans and the indigeneous Celtic background The interaction of these traditions affected all aspects of Romano British life and is illustrated in the jewellery The meaning and significance of personal ornament in a wide range of cultures is discussed including such matters as symbolism and the display of wealth and status The principal types of Romano British jewellery are classified in detail drawing attention to those which can be relatively closely dated The coverage is not restricted to precious metal objects but includes jewellery made of base metals and materials such as bone jet and glass The final chapter is devoted to the techniques of manufacture a subject which has become better understood in recent years as a result of scientific advances The book should appeal to anyone who practices teaches or studies Roman archaeology together with all those with a professional or amateur interest in the history of jewellery and design

Roman Art, Religion and Society Martin Henig,2006 This volume contains a range of papers from a seminar held in Oxford in 2005 What did art in its widest sense mean to them the Romans and what might it or even should it mean to us The approach adopted avoids fashionable theory mainly culled second hand from the social sciences and tries to engage directly with material culture

Intelligible Beauty Christopher Entwistle,Noël Adams,2010 The field of Byzantine jewellery 4th 15th centuries is a rapidly expanding one and a large amount of important research has been conducted within the last ten years both by scholars on the continent and in America The intention of the conference and subsequently the volume is to draw together the many strands involved in this research and to publish them in accessible form This volume represents a rare opportunity to make this crucial work available to a much wider specialist and non specialist audience in Britain and beyond In particular the topics to be addressed by foreign speakers are either not well known in Britain or are published in largely inaccessible journals Chris Entwistle has been the curator of the Late Roman and Byzantine Collections at the British Museum since 1985 Dr N el Adams is an independent scholar who has published widely on the metalwork and jewellery of the Early Middle Ages

Treasure Seekers Jane McIntosh,2000 The Atlas of Lost Treasure recounts the

fascinating stories behind the quest for the world's lost fortunes Fully illustrated and containing detailed location maps this book charts continent by continent and ocean by ocean the original history of the treasure's deposition with spine chilling tales of shipwrecks and battles With stories of the adventures involved in revealing hidden treasure and the subsequent misadventures of treasure lost such as Schliemann's lost gold the book chronicles treasures recovered and those still lost and where they may be Trawling through history those captivated by the thought of hidden gold and exotic artifacts are sure to take interest in *The Atlas of Lost Treasure* **Archaeological Review from Cambridge**, 2006 **Ancient Rome** Nancy H. Ramage, Andrew Ramage, 2008 This amply illustrated book offers a concise lively and authoritative overview of the history of ancient Rome from its earliest foundations to its legacy in the modern Western world Information is provided accessibly with feature sidebars and easy to use reference pages at the end Each chapter has its own substantial annotated bibliography in addition to a comprehensive general list of recommended printed and web resources and further reference tools include a list of international museum collections chronologies and a general index This book will appeal to a wide range of general readers museum visitors undergraduate students and life long learners Publisher description *Current Archaeology*, 2004

**The Land of Boudica** John Arthur Davies, 2008 Modern Archaeology is showing Norfolk to be a distinct region of national and international significance This book traces the story of this area from the Ice Age and the first appearance of people to the end of Roman Britain In particular it focuses on the many remarkable and exciting discoveries made across what is now Norfolk often through the contribution of amateur enthusiasts The remarkable and continuing pace of new finds principally in the form of individual artefacts as well as through the more conventional processes of aerial photography and fieldwork has served to transform our understanding of the county's past in recent years Norfolk's distinctive landscape provides a dramatic backdrop against which the achievements of the inhabitants are followed Evidence is sought for the ancestors of Boudica who responded to a series of changes and challenges from very earliest prehistoric times through to the early historical period under the Romans Many images previously never published before and many in full colour John Davies has been keeper of Archaeology at Norwich Castle Museum since 1997 and is now also Chief Curator for Norfolk Museums and Archaeology Service He has worked as an archaeologist in Norfolk since 1984 During the time he has been involved with the promotion of a positive liaison between professional and amateur archaeologist in particular metal detector users He is a specialist in the coinage of Roman Britain and has published widely on the subject of coinage from British archaeological sites His most recent interests include aspects of Iron Age East Anglia and Roman Norfolk [The Antiquarian Rediscovery of the Antonine Wall](#) L. J. F. Keppie, 2012 The Antonine Wall has been visible as an upstanding earthwork across the central belt of Scotland between Forth Clyde since its construction by the Roman legions over 1 850 years ago early in the reign of the Roman emperor Antoninus Pius This book takes up its story from the time of its abandonment in the reign of Pius successor Marcus Aurelius and charts developments in our knowledge about it through the Middle Ages and after up to the

early years of the twentieth century by which time the earliest scientific excavations had taken place
