**Solomon Liptzin**

## **The Maturing Of Yiddish Literature:**

The Maturing of Yiddish Literature Solomon Liptzin,1970 Development of Yiddish literature 1914 1939 Few of the Yiddish authors mentioned have been translated into English

*The Maturing of Yiddish Literature, by Sol Liptzin* Solomon Liptzin, An Anthology of Modern Yiddish Literature Joseph Leftwich,2019-03-18 No detailed description available for An Anthology of Modern Yiddish Literature

## **Children and Yiddish Literature From Early Modernity to Post-Modernity**

Gennady Estraikh,Kerstin Hoge,Krutikov Mikhail,2016-05-20 Children have occupied a prominent place in Yiddish literature since early modern times but children s literature as a genre has its beginnings in the early 20th century Its emergence reflected the desire of Jewish intellectuals to introduce modern forms of education and promote ideological agendas both in Eastern Europe and in immigrant communities elsewhere Before the Second World War a number of publishing houses and periodicals in Europe and the Americas specialized in stories novels and poems for various age groups Prominent authors such as Yankev Glatshteyn Der Nister Joseph Opatoshu Leyb Kvitko made original contributions to the genre while artists such as Marc Chagall El Lissitzky and Yisakhar Ber Rybak also took an active part In the Soviet Union meanwhile children s literature provided an opportunity to escape strong ideological pressure Yiddish children s literature is still being produced today both for secular and strongly Orthodox communities This volume is a pioneering collective study not only of children s literature but of the role played by children in literature

The Anthology in Jewish Literature David Stern,2004-10-07 The anthology is a ubiquitous presence in Jewish literature arguably its oldest literary genre going back to the Bible itself and including nearly all the canonical texts of Judaism the Mishnah the Talmud classical midrash and the prayerbook In the Middle Ages the anthology became the primary medium in Jewish culture for recording stories poems and interpretations of classical texts In modernity the genre is transformed into a decisive instrument for cultural retrieval and re creation especially in works of the Zionist project and in modern Yiddish and Hebrew literature No less importantly the anthology has played an indispensable role in the creation of significant fields of research in Jewish studies including Hebrew poetry folklore and popular culture This volume is the first book to bring together scholarly and critical essays that investigate the anthological character of these works and what might be called the anthological habit in Jewish literary culture the tendency and proclivity for gathering together discrete sometimes conflicting traditions and stories and preserving them side by side as though there were no difference conflict or ambiguity between them Indeed The Anthology in Jewish Literature is the first book to recognize this habit and genre as one of the formative categories in Jewish literature and to investigate its manifold roles The seventeen essays each of which focuses on a specific literary work many of them the great classics of Jewish tradition consider such questions as What are the many types of anthologies How have anthologists editors even printers of anthologies been creative shapers of Jewish tradition and culture What can we learn from their editorial practices How have politics gender and class figured into the making of anthologies What determinative role has the anthology played in creating

the Jewish canon How has the anthology served especially in the modern period to create and recreate Jewish culture This landmark volume will interest educated laypersons as well as scholars in all areas of Jewish literature and culture as well as students of world literature and cultural studies **A History of Yiddish Literature** Solomon Liptzin,1985 Index

Bibliography p 501 507 *United States Jewry, 1776-1985* Jacob Rader Marcus,1989 Polish-Jewish Literature in the Interwar Years Eugenia Prokop-Janiec,2003-04-01 Foremost among a recent wave of Polish books on Jewish issues this groundbreaking work rectifies long held misconceptions about Polish Jewish writers Popular notion has it that Polish Jewish writers unlike their counterparts in Western Northern and Central Europe wrote solely in Yiddish or Hebrew Yet between the two world wars Poland produced an elite group of assimilated Jews who wrote exclusively in Polish Theirs was not an easy lot Torn between love of Poland and its literature and their own Jewish identity they straddled a fine line between two cultural worlds at once advocating acculturation while prey to virulent anti Semitism This pioneering award winning volume examines the emergence and development of these writers their personal plight and the profound effect they had upon Polish letters and poetry Meticulously researched it explores the role of language as a bridge attitudes toward Polish writing impact of the ghetto and the transformation of Polish into a force for its Jewish populace Finally it pays homage to fine literary voices silenced by the Holocaust

*Reader's Guide to Judaism* Michael Terry,2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly *The Posen Library of Jewish Culture and Civilization, Volume 7* Israel Bartal,Kenneth B. Moss,2024-01-05 Volume 7 of the Posen Library captures unprecedented transformations of Jewish culture amid mass migration global capitalism nationalism revolution and the birth of the secular self Between 1880 and 1918 traditions and regimes collapsed around the world migration and imperialism remade the lives of millions nationalism and secularization transformed selves and collectives utopias beckoned and new kinds of social conflict threatened as never before Few communities experienced the pressures and possibilities of the era more profoundly than the world's Jews This volume seventh in The Posen Library of Jewish Culture and Civilization recaptures the vibrant Jewish cultural creativity political striving social experimentation and fractious religious and secular thought that burst forth in the face of these challenges Editors Israel Bartal and Kenneth B Moss capture the full range of Jewish expression in a centrifugal age from mystical visions to unabashedly antitraditional Jewish political thought from cookbooks to literary criticism from modernist poetry to vaudeville They also highlight the most remarkable dimension of the 1880 1918 era an audacious effort by newly secular Jews to replace Judaism itself with a new kind of Jewish culture centering on this worldly aesthetic creativity by a posited Jewish nation and the secular modern and

free individuals who composed it This volume is an essential starting point for anyone who wishes to understand the divided Jewish present     **Handbook of American-Jewish Literature** Lewis F. Fried, Gene Brown, Jules Chametzky, Louis Harap, 1988-01-26 The title is perhaps a bit deceptive for this is assuredly more than handbook might indicate Fried's anthology is a truly complex work bringing together eighteen essays of mostly uniform high quality and masses of bibliographic resources to present a comprehensive overview Fried's book does not present the original works themselves but rather culls mostly outstanding essays on the prose poetry drama and literary criticism produced by Jewish writers in America from the final decades of the last century to the present Studies in American Jewish Literature Focusing on the Jewish contribution to American writing this guide offers a comprehensive view of Jewish identity and experience in American society together with important bibliographic information for the scholar or researcher In eighteen essays written by a distinguished group of specialists it provides a wealth of fact interpretation and commentary relating to American Jewish literature criticism and other writing published since the 1880s In his introduction Fried reviews the history of American Jewish writing and the major social moral and political concerns that have affected it The essays that follow focus primarily on the literary culture created by Eastern European Jewish immigrants and their children as they shaped and were shaped by their experiences in America The first several chapters look at American Jewish fiction from 1880 to the present Drama and autobiographical works also are discussed as are American Yiddish poetry criticism and other writing Other chapters assess the influence of theology Zionism and the Holocaust on American Jewish writers as well as the relationship of their works to other literatures and international critical perspectives Themes that are explored from several perspectives include the relevance of the diaspora to the American Jewish literary imagination the forging of multiple loyalties and reconciliation into an American Jewish culture and the making of an American Jewish identity     **Meshuggenary** Payson R. Stevens, Charles M. Levine, Sol Steinmetz, 2002 An introduction to the Yiddish language and its culture in America throughout the past century considers its grammatical and vocabulary basics offers a wealth of expressions and insults and profiles Yiddish influences on the arts food and education     *Chapters from South African History, Jewish and General: Johannesburg* Nathan Berger, 1982

The Federal Theatre Project Yiddish Troupes (1935-1939). George Medovoy, 1975     Jewish Book Annual Solomon Grayzel, 1970     **Encyclopaedia Judaica** Cecil Roth, 1971     *Reader's Encyclopedia of Eastern European Literature* Robert B. Pynsent, Sonia I. Kanikova, 1993 Includes brief histories of the oral traditions and literatures of Eastern Europe and biographies of leading figures Languages include Albanian Armenian Bulgarian Byelorussian Belarusian Croatian Czech Estonian Finnish Georgian Greek Hungarian Latvian Lithuanian Macedonian Polish Roumanian Serbian Slovak Slovene Sorbian Wendish Ukrainian Yiddish     *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries, 1979     Identity and Ethos Solomon Liptzin, 1986 The essays collected in this Festschrift have been written by colleagues friends students and admirers of Sol Liptzin to be presented to

him on the occasion of his 85th birthday The essays are concerned with topics within the domains of literary and cultural study pursued and enriched by Sol Liptzin himself I Yiddish literature II German Jewish studies and German literature proper III English German literary relations IV Jews and Jewish literature in America V Biblical themes in world literature and Jewish cultural history The partial selected bibliography of his publications included in this volume indicates in a complementary way the scope and energy of his engaging and lively mind *Encyclopedia of World Literature in the 20th Century: E to K* Leonard S. Klein, 1993 V 1 A to D v 2 E to K v 3 L to Q v 4 R to Z v 5 Supplement and index
