The Good Soil Allen C. Hughes,2021-03-19 The good soil of our life is generated through the actions and habits of discipleship Discipleship is the lifelong pursuit of learning to live a life under the guidance and care of God We can live a life where we are guided and led by the perfect Father We can experience the fruits of the good soil a joy that goes beyond our circumstances a peace that satisfies work that is meaningful and a love that abides Unfortunately in our culture the word discipleship has been misunderstood misapplied reduced and in some cases used to manipulate serious men and women who desire to walk faithfully with the living God The result is that many Christians live with an anemic understanding of discipleship which limits their relationship with God confuses their vocation and keeps most Christians frustrated and on the periphery of the full Christian life When discipleship is truly and fully engaged what follows is an abundant life from God full of gifts challenges meaning and direction This is the life I believe all Christians truly desire and I believe this book will help
