The Millennium Reich:

The Millennium Reich Joe Green, 2003-12 **Hitler's Millennial Reich** David Redles, 2008-11-01 A brilliant study of the convergence of apocalyptic anxiety and authoritarianism in Germany A story unfortunately of continuing relevance Charles B Strozier author of *Apocalypse On the Psychology of Fundamentalism in America After World War I* German citizens sought not merely relief from the political economic social and cultural upheaval that wracked Weimar Germany but also mental salvation With promises of order prosperity and community Adolph Hitler fulfilled a profoundly spiritual need on behalf of those who converted to Nazism and thus became not only Führer but Messiah contends David Redles who believes that millenarian sentiment was central to the rise of Nazism As opposed to many works which depersonalize Nazism by focusing on institutional factors Redles offers a fresh view of the impact and potential for millenarian movements The writings of both major and minor Nazi party figures in which there echoes a striking religiosity and salvational faith reveal how receptive Germans were to the notion of a millennial Reich such as that offered by Hitler Redles illustrates how Hitler's apocalyptic prophecies of a coming final battle with the so called Jewish Bolsheviks one that was conceived to be a war of annihilation was transformed into an equally eschatological Final Solution Redles has done an extraordinarily careful and brilliant analysis of the archival material to reveal Hitler's messianic charisma his appeal both on the ideological and psychological level illustrating that if you can convince people that they live in apocalyptic times and you have the key to their collective salvation you can get them to do anything Richard Landes Director Center for Millennial Studies Department of History Boston University *Hermann Röchling: The Factory of the Third Reich* Margaret Manale, 2024-01-03 Who now remembers Hermann Röchling 1872-1955 an emblematic figure of German industry during the two world wars A Nazi from the very beginning he was one of the main protagonists of this sinister movement alongside Albert Speer and Adolf Hitler He did not shy away from any measure to support the National Socialist effort and his power was such that the Americans referred to him as the czar of a regime that functioned on the backs of millions of enslaved workers A steel magnate and notorious anti Semite Hermann Röchling fell through the cracks of history Margaret Manale is the first researcher to devote an exhaustive biography to him She explains the reasons why such a character has remained almost unnoticed She sheds light on the difficulty of judging him in the aftermath of the collapse of the Third Reich To put his personality into perspective Manale goes back to the origins of the family in 1870 and the French defeat by Germany For 170 years the Röchlings played a major role in these successive conflicts and in particular in the struggle for control of the mines in Alsace Lorraine Herman Röchling was prosecuted and sentenced at Nuremberg for war crimes in 1946 but under American pressure he was pardoned in 1951 in order to revive Germany quickly and build a strong Europe in the face of the Soviet threat This shocking book is the implacable account of one man's deception and the weight of realpolitik Margaret Manale is an historian and Germanist and researcher at the CNRS where she specializes in East Germany and the post Wall recomposition of German heritage She was

a translator and interpreter in Munich before joining Maximilien Rubel's team that prepared the edition of Karl Marx's works in the Bibliothèque de la Pléiade Gallimard

The Third Reich Michael Burleigh, 2012-03-22 In this riveting book Michael Burleigh sets Nazi Germany in a European context showing how the Third Reich's abandonment of liberal democracy and tolerance was widespread in the Europe of the period. He shows how a radical pseudo-religious movement led by an oddity with dazzling demagogic talents seemed to offer salvation to a German exhausted by war, depression and galloping inflation. This is a monumental book. Richard Overby Sunday Telegraph. If I had to recommend one book on the Third Reich this would be it. Daniel Johnson Daily Telegraph. It is a breathtaking achievement at once broader and deeper than any other single volume ever published on the subject. Indeed I would go further it is the product of authentic historical genius. Niall Ferguson Sunday Times. Happily Michael Burleigh now fills that bibliographical gap with a readable and highly knowledgeable account of that ghastly period. You will never be bored by this extraordinary book. Andrew Roberts Mail on Sunday

The German Evangelical Alliance and the Third Reich Nicholas Railton, 1998 This is the first study to concentrate on evangelical reactions to the National Socialist regime. The author analyses the treatment of National Socialist social, political and economic policies in the Evangelisches Allianzblatt and makes references to other evangelical publications. He highlights the support theological conservatives in Germany gave to the government and examines their reticence in joining the Kirchenkampf. The German evangelical analysis of National Socialism is contrasted with the position taken by the British editors of Evangelical Christendom. The evangelical Vergangenheitsbewältigung is dealt with in a concluding chapter

The Fourth Reich Robert Van Kampen, 2000-01-11 Based on biblical prophecy this towering novel creates a chilling portrayal of what will happen in the world's final days. Robert Van Kampen, one of the leading experts in scriptural prophecy, unleashes a dramatic and unforgettable vision of the end times. It began forty years ago with an act of cutting edge medical science. Today a charismatic politician named Nikolai seizes power, kills his enemy and mesmerizes skeptics with his message of a new one world government setting off the seven year period of tribulation. As famines and civil wars rock the globe and as prophesied events begin to unfold, the truth explodes on an unsuspecting population. Nikolai is not just a tyrant, he is history's most evil
