The New Revelations A Conversation With God:

The New Revelations Neale Donald Walsch, 2002 Offers a perspective on the current global crisis while challenging readers to shift away from stereotypical opinions presenting strategies for addressing and resolving cultural problems that are resulting in conflict

MODERN RELIGIONS: AN EXPERIENTIAL ANALYSIS AND EXPOSÉ Elliot Benjamin, Ph.D., 2013-10-03 This book is an experiential analysis of over twenty modern religious spiritual groups The book is divided into two generic segments inclusive of a tri perspective experiential analysis using a variety of cult danger rating scales and a more personal experiential description of the author's involvement in these groups written in stream of consciousness essay form The groups explored include controversial religious organizations such as Scientology and The Unification Church as well as lesser known religious groups such as Conversations with God and Avatar and also new age retreat centers such as Omega Institute for Holistic Studies and Kripalu Center for Yoga and Health The author describes both the dangers and benefits of various groups and based upon his own experiences is able to rate these groups on a cult danger vs spiritual benefits scale on a gradient from high cult danger to favorable spiritual group

New Revelations Magnar Kartveit, 2025-11-06 The Bible is the most important book in the world It forms the basis of the major religions and it influences billions of people Readers find comfort and consolation here Communities use it as a guide for thinking and life It deals with the meaning of life God history and the afterlife The Bible also presents texts about war child sacrifice and mass murder Some readers pass over such texts in silence Interestingly the Bible is aware of the provocation such texts create and it is not passive about them It presents alternatives counter texts and comments New revelations handle earlier notions and steer theology in more fruitful directions This book presents the Bible's way of doing this All texts are inspired by God original revelations new revelations and the mediation between them The Bible is a wonderful collection of revelations from Moses to Jesus It took more than one thousand years to complete the book and the result is amazing

SCP Journal, 2003

Nouvelles révélations Neale Donald Walsch, 2002 Le dialogue devient urgent Si vous voulez transformer votre monde et sa trajectoire autodestructrice vous pouvez effectuer cinq choix 1 Reconnaître que certaines de vos croyances anciennes sur Dieu et sur la Vie ne sont plus valides 2 Reconnaître qu'il y a des aspects de Dieu et de la Vie qui vous chappent et dont la compréhension changerait tout 3 Favoriser l'avènement d'une nouvelle vision de Dieu et de la Vie susceptible d'engendrer un nouveau mode de vie sur votre planète 4 Explorer et examiner courageusement cette nouvelle vision et si elle s'aligne sur votre vérité et votre sagesse intérieures largir votre système de croyances pour lui faire une place 5 Démontrer par votre vie vos croyances les plus levées et les plus grandioses au lieu de les nier Voilà les Cinq Étapes de la Paix Si vous les appliquez vous pourrez tout changer sur votre planète

False Dawn Lee Penn, 2004 The interfaith movement which began with the 1893 World's Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to

One World The most ambitious organization in today s interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of California Investigative reporter Lee Penn a Catholic ex Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with grandiose visions The URI s proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans K ng and from the Dalai Lama to the leaders of government approved Protestant churches in the People s Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In The Reign of Quantity and the Signs of the Times French metaphysician Ren Gu non spoke of the anti tradition the forces of materialism and secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non s time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left False Dawn painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and gives us a stunningly plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In False Dawn Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion org [End of All Things - God's Shocking New Revelations](#) May Fred May, Frederick May, 2009-11 What you DON T know can kill you End of All Things the most powerful Book of our time is a modern day true story of God speaking verbally to two people His reason To announce His shocking new revelations exposing the world s big secrets lies and mysteries for the first time in history Revealing The cause and cure for Cancer Solid irrefutable new proof of how the Catholic Church has diabolically tricked all its members into worshipping Satan and cursing God and themselves What
