The New Testament An Orthodox Perspective:

The New Testament Theodore G. Stylianopoulos,1997 Fr Stylianopoulos deals with basic questions concerning the formation of the New Testament canon and the authority of Scripture in the Orthodox Church *Five Views on the New Testament Canon* Stanley E. Porter,Benjamin Laird,2022-10-18 What historical political and ecclesial realities drove the canonization of the New Testament How are the doctrines of Early Christianity related to the formation of the New Testament Should the New Testament differ in authority from other early Christian texts As these questions demonstrate the enduring influence of the New Testament does not lessen the dispute over the events and factors leading to its adoption *Five Views on the New Testament Canon* presents five distinct ways of understanding how the New Testament came to be A Conservative Evangelical Perspective Darian R Lockett A Progressive Evangelical Perspective David R Nienhuis A Liberal Protestant Perspective Jason David BeDuhn A Roman Catholic Perspective Ian Boxall An Orthodox Perspective George L Parsenios Each contributor addresses historical theological and hermeneutical questions related to the New Testament canon such as what factors precipitated the establishment and recognition of the New Testament canon the basis of any authority the New Testament has and what the canon means for reading and interpreting the New Testament Contributors also include a chapter each responding to the other views presented in the volume The result is a lively exchange suitable for both undergraduate and graduate students seeking to grasp the best canon scholarship in biblical studies *An Introduction to the New Testament* D. A. Carson,Douglas J. Moo,2009-05-26 Grasp the message of the New Testament by focusing on the essentials *An Introduction to the New Testament* focuses on historical questions dealing with authorship date sources purpose destination and so forth ensuring that the New Testament books will be accurately understood within historical settings For each New Testament document the authors also provide a substantial summary of the book s content discuss the book s theological contribution to the overall canon and give an account of current studies on the book including recent literary and social science approaches to interpretation This second edition reflects significant revision and expansion from the original making this highly acclaimed text even more valuable A new chapter provides a historical survey examining Bible study method through the ages The chapter on Paul has been expanded to include an analysis of debates on the new perspective The discussion of New Testament epistles has been expanded to form a new chapter This new edition is an ideal textbook for seminary students and will help a new generation better grasp the message of the New Testament *The New Testament* Theodore G. Stylianopoulos,1997 *Encyclopedia of Christianity in the United States* George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The *Encyclopedia of Christianity in the United States* outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States

influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation
