The Niekro Files:

The Niekro Files Phil Niekro, Joe Niekro, 1990-04 *The Niekro Files* Phil Niekro, Joe Niekro, Ken Picking, 1988-01-01 Phil and Joe discuss on the road adventures the impact of baseball on their marriages their remarkable longevity in the profession and their feelings for each other **The Psycho 100** Steve "Psycho" Lyons, Burton Rocks, 2012-10-01 Steve Psycho Lyons uses his patented Psycho Meter to break down the 100 most famous and infamous moments in baseball history And who better to chronicle baseball s history of outrageous personalities plays and pranks than Lyons the man who dropped his pants at first base and created perhaps the most outrageous moment of all time Digging in and dusting off the annals of baseball history he has researched the craziest moments in baseball ever ranging from the hilarious to the ridiculous from the incredible to the heroic including Randy Johnson s unexpected and unbelievable exploding bird Clemens v Piazza rounds 1 and 2 the infamous Disco Demolition Night in Chicago and the George Brett pine tar incident From Babe Ruth s called home run shot to the Steve Bartman fiasco from Pete Rose bowling over Ray Fosse to Joba Chamberlain being attacked by insects and from Pedro Martinez body slamming Don Zimmer to a team turning a triple play without ever touching the ball The Psycho 100 has it all Knuckleball Lew Freedman, 2015-03-17 It took me a day to learn the knuckleball and a lifetime to learn how to throw it for a strike This quote by pitcher and coach Charlie Hough is the best way to understand baseball s most baffling and mysterious pitch Not even the best practitioners of the art of throwing a knuckleball know where it is going most of the time As a pitch that floats and comes into the plate in what appears to be slow motion it is miraculous that those who employ the pitch don t get creamed all over the park by batters who seem to know that it s coming Including interviews with Hall of Famer Phil Niekro former All Stars Wilbur Wood and Tim Wakefield as well as other famed knuckleballers Lew Freedman Clouds over the Goalpost A Summer to Remember breaks down the history of this infamous pitch which it seems can be traced back to Chicago White Sox pitcher Ed Cicotte as well as its effect on baseball as a whole With pitcher R A Dickey who rejuvenated his career from castoff to 2011 Cy Young Award winner the knuckleball is still a topic of conversation in the sport and it continues to be one of the many marvels of our national pastime Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home **The Cultural Encyclopedia of Baseball, 2d ed.** Jonathan Fraser Light, 2016-03-25 More than

any other sport baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game, for example, pinch hitter and out in left field, have become common in our everyday language. From AARON HENRY onward, this book covers all of what might be called the cultural aspects of baseball as opposed to the number-rich statistical information so widely available elsewhere. Biographical sketches of all Hall of Fame players, owners, executives, and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners, and league presidents. Advertising agents, drafts, illegal substances, minor leagues' oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.

Baseball Books Mike Shannon, 2024-10-14. It is widely and wrongly assumed that books are never so valuable as when they lie unopened before us, waiting to be read. Good books bear multiple readings, and not merely because our memories fail us; the desire to repeat a good reading experience can be its own powerful motivation. And for bibliophiles, books can also be works of art, physical objects with an aesthetic value all their own. This guide for the book-loving baseball fan is written by one of the most knowledgeable collectors in the country, author and editor Mike Shannon. Beginning with a history of baseball books and collecting, it also identifies the most sought-after titles and explains how to find them, what to pay, and how to maintain their condition.

Baseball and American Culture, 1995. More than any other sport, baseball has become a ubiquitous part of popular culture in the United States. Even nonfans can be heard using the game's terminology to describe everyday situations. Writings on the sport reflect the nature of society, from sobering statistical studies to business analyses, from acclaimed novels on the sport to poetry about the game. The 4,500 works here are arranged by 25 broad categories, such as art, commercialization, drug use and abuse, ethnic diversity, heroic images, humor, innovation and change, songs, American values, and women in baseball. Compiled from a wide range of magazines, journals, newspapers, and books, the work gives full bibliographic information for each entry. Comprehensive author and subject indexes are provided for further ease of use.

The Publishers Weekly, 1990.

West Virginia Baseball William E. Akin, 2006-07-20. West Virginia sprang into existence as a state in the midst of the Civil War, and baseball, as it was called then, was close on the heels of statehood. A game in 1866 hosted by the Hunkidori Base Ball Club in Wheeling is considered the first match game of Base Ball. Some historians contend the game spread via the movement of soldiers who were from urban areas. The real roots of baseball are not the romantic image of rural boys in sandlots or lazy father-son afternoons. It was born and came of age as an urban sport, a social pursuit of well-heeled young men that in the early days often involved banquets and shows following each game. The author traces the history of minor league and independent league baseball in

West Virginia Baseball below the minor leagues has a rich and comparatively unexplored history and West Virginia has made substantial contributions to this legacy Chapters examine the chronological history of baseball and the larger economic and cultural changes that have influenced it Eras include baseball as a social game through 1873 the emergence of professional baseball through 1895 its second boom through 1905 the deadball era through 1920 the Martinsburg dynasty 1914 to 1934 as a miners sport 1920 to 1941 the Middle Atlantic League 1925 1942 the Mountain State League 1937 1942 the postwar years 1945 1955 the nadir 1955 1985 and A Minor Miracle 1985 2000 a chapter that heralds a comeback in the popularity of professional baseball *Library Journal*, 1988-07 The Baseball Companion Angus G. Garber, 1990 **Baseball History** 4 Peter Levine, 1991 Part of the Baseball and American Society series this text publishes original contributions related to the history of baseball **Inside Baseball** Greg Garber, 1996 A behind the scenes look at the greatest games the all time best players and the toughest records **Baseball and the Pursuit of Innocence** Richard Skolnik, 1994 Just when you thought everything had been written about baseball along comes this remarkably fresh look at the old ball game together with a provocative series of inquiries that redirect our thinking about the game Is baseball really like life How does it reflect a more traditional moral universe What is the current preoccupation with statistics doing to the game Why is there so much talking and arguing in baseball Does baseball consciously reenact the mythology of the Old West in this sophisticated literate and thoroughly entertaining book Richard Skolnik addresses these and many other intriguing questions while he explores the underlying tensions in the nation's pastime On the surface baseball seems to reflect old unchanging more innocent traditions a harking back to a rural past a simpler time But how does that idealistic image jibe with the modern era of big business baseball where money considerations dominate free agency erodes established loyalties and specialists are more common than players with all around skills Skolnik tellingly probes the symbols of baseball and examines the way the game is played and the way it is viewed and interpreted As debate builds in the sports community over the future of the game the consideration of these tensions takes on a special significance and even poignancy Skolnik finds that perhaps even in its contradictions baseball can still be interpreted as a living symbol and expression of America But no baseball book should be too serious Juicy quotations from the players dramatic incidents lively play by play accounts and turn of the century illustrations add spice and zest to a book that every thoughtful fan of baseball is certain to savor The Baseball Bibliography Myron J. Smith, 2006 With over 57 000 entries this two volume set is the most comprehensive non electronic non database print bibliography on any American sport Represented here are books and monographs scholarly papers government documents doctoral dissertations masters theses poetry and fiction novels pro team yearbooks college and professional All Star Game and World Series programs commercially produced yearbooks and periodical and journal articles Provided by publisher **Biography Index** Bea Joseph, 1990 A cumulative index to biographical material in books and magazines **Chasing the American Dream** Thomas M. Tarapacki, 1995 Some of the greatest figures in American sports

were Polish Americans including Stan Ketchel two time middleweight boxing champion Stella Walsh a Polish born Olympic sprinter and Stan The Man Musial one of baseballs all time greats who played in 24 All Star games and set numerous major league records Chasing the American Dream examines the impact of sports upon the lives of Polish Americans the unprecedented economic and social opportunities it created and the enormous changes it brought about to Polonia **The Achievement of American Sport Literature** Wiley Lee Umphlett,1991 The essays in this collection help promote the worth of American literature in which sports plays a prominent role Contributors include Leverett T Smith Jr Christian K Messenger Robert W Cochran Ronald K Giles Don Johnson Brooke K Horvath and Sharon G Carson Lyle I Olsen Robert J Higgs Daniel J Herman Mary McElroy and Michael Oriard **Kirkus Children's and Young-adult Edition** ,1988 *Baseball History* Peter Levine,1989 An annual devoted to original popular and scholarly studies about the history of America s National game Includes new articles interviews and book reviews

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **The Niekro Files**

In some sort of inundated with screens and the cacophony of immediate connection, the profound energy and psychological resonance of verbal artistry usually diminish into obscurity, eclipsed by the regular assault of sound and distractions. However, nestled within the lyrical pages of **The Niekro Files**, a interesting function of fictional splendor that pulses with natural thoughts, lies an wonderful journey waiting to be embarked upon. Published by way of a virtuoso wordsmith, this exciting opus courses readers on an emotional odyssey, delicately exposing the latent potential and profound affect embedded within the complex internet of language. Within the heart-wrenching expanse of this evocative evaluation, we will embark upon an introspective exploration of the book is key styles, dissect its interesting writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
