Short Stories Michael Guest, 2015-07-08 A Collection of Short Stories by Michael Guest is exactly what it says it is but that does not mean it's unsurprising In these pages are stories of betrayal and murder of passion and redemption The stories cover the gritty realism of life in a rehab center and the eerie supernaturalism of ghosts rising up to right wrongs and aid their ancestors They range from the past in which a civil war veteran returns home to find his land seized the present in which a small town preacher tries to overcome the temptations of the big city through to hints of the future where an astronaut lost in space becomes one of the first humans to encounter alien life Ultimately these are stories of redemption and community of making things better and making things right These are stories that hope to speak to the best in people and to keep them entertained from start to finish

The Night Buffalo Guillermo Arriaga Jordán, 2006 Gregorio and Manuel were best friends They both had a tattoo of a night buffalo which Gregorio insisted was done with the same needle so their blood would mingle Since Manuel started sleeping with Gregorio's girlfriend the friendship had become increasingly difficult to live with In the aftermath of Gregorio's suicide Manuel struggles to get his life back on track Everyone seems to suspect him of knowing more than he lets on and everyone seems to be keeping their own secrets including his girlfriend Most disturbingly Gregorio appears to still be watching him letters from him appear through the post containing enigmatic messages You won't be able to run from the night buffalo they promise Gregorio hadn't finished dying yet From the acclaimed writer of *Amores Perros* and *21 Grams* this is the story of a passionate and destructive ménage à trois and the tricks your mind can play on you
