The Ninth Directive:

The Ninth Directive Adam Hall, 2011-08-30 When a security exercise goes wrong a rogue agent must defend a British diplomat from Thai assassins Quiller is not an easy man to work with Freethinking to the point of insubordination he is the kind of spy who gives his superiors ulcers But his case file going back to his work against the Nazis speaks for itself The Bureau ranks him as a 9 agent Reliable Under Torture and that is the kind of man they need in Bangkok Because an important British official is coming to visit and the Bureau wants Quiller to plan the diplomat's murder Of course it is only a security exercise The official will be traveling under top notch protection and they want Quiller to devise an assassination plot to test the abilities of his security detail But for the diplomat and for Quiller the danger quickly becomes real **The Ninth Directive** Adam Hall, 1987-04 The 9th Directive Adam Hall, Elleston Trevor, 1967 Novel is set in Bangkok Thailand

The EU VAT System and the Internal Market Rita de La Feria, 2009 This thesis focuses upon VAT in the context of the Community's internal market Its central aim is to prove that the current EU VAT system is incompatible with the concept of internal market as set out in the EC Treaty and interpreted by the Court of Justice The study commences with an analysis of the concept of internal market the main objective of which is to establish the basic legal framework for the proposed thesis As part of this examination it is demonstrated that the EC Treaty creates a temporally unlimited obligation for the Community to approve legislation with the aim of establishing and improving the functioning of the internal market By analysis of existing EU VAT jurisprudence it is argued that obstacles cannot be overcome through incremental developments emerging from the Court of Justice but can only be resolved by fundamental and substantive legislative amendment
