

FROST/NIXON

The background of the poster features two black and white portraits. On the left is a portrait of Sir David Frost, looking slightly to the right with a serious expression. On the right is a portrait of Richard Nixon, looking directly forward with a serious expression. Both are wearing dark suits with white collars.

The Nixon Interviews With David Frost:

Frost/Nixon David Frost, Bob Zelnick, 2009-10-13 The British journalist recounts his 1977 interview with the disgraced American president the basis for the Tony Award winning play Oscar nominated film In Frost Nixon Sir David Frost tells the extraordinary story of how he pursued and landed the biggest fish of his career and how the series drew larger audiences than any news interview ever had in the United States before being shown all over the world This is Frost s absorbing story of his pursuit of Richard Nixon and is no less revealing of his own toughness and pertinacity than of the ex President s elusiveness Frost s encounters with such figures as Swifty Lazar Ron Ziegler potential sponsors and Nixon as negotiator are nothing short of hilarious and his insight into the taping of the programs themselves is fascinating Frost Nixon provides the authoritative account of the only public trial that Nixon would ever have and a revelation of the man s character as it appeared in the stress of eleven grueling sessions before the cameras Including historical perspective and transcripts of the edited interviews this is the story of Sir David Frost s quest to produce one of the most dramatic pieces of television ever broadcast described by commentators at the time as a catharsis for the American people **Frost/Nixon** David

Frost, 2008-09-04 Published to coincide with the launch of Ron Howard s blockbuster film and following on from the huge success of the eponymous West End and Broadway play Frost Nixon tells the extraordinary story of how David Frost pursued and landed the biggest fish of his career When he first conceived the idea of interviewing Richard Nixon and trying to bring the ex President to confront his past he was told on all sides that the project would never get off the ground Yet in the end he succeeded and the resulting television series drew larger audiences than any news programme ever had in the United States before being shown all over the world Including hilarious tales of the people Frost encountered along the way and fascinating insights into the making of the series itself this book provides an account of the only public trial that Nixon would ever have and a revelation of the man s character as it appeared in the stress of twelve gruelling sessions before the cameras Fully revised and updated with historical perspective and including transcripts of the edited interviews Frost Nixon describes David Frost s quest to produce one of the most dramatic pieces of television ever broadcast The Conviction of Richard Nixon James Reston, Jr., 2007-06-19 The Watergate scandal began with a break in at the office of the Democratic National Committee at the Watergate Hotel on June 17 1971 and ended when President Gerald Ford granted Richard M Nixon a pardon on September 8 1974 one month after Nixon resigned from office in disgrace Effectively removed from the reach of prosecutors Nixon returned to California uncontrite and unconvicted convinced that time would exonerate him of any wrongdoing and certain that history would remember his great accomplishments the opening of China and the winding down of the Vietnam War and forget his mistake the pipsqueak thing called Watergate In 1977 three years after his resignation Nixon agreed to a series of interviews with television personality David Frost Conducted over twelve days they resulted in twenty eight hours of taped material which were aired on prime time television and watched by more than 50 million people

worldwide Nixon a skilled lawyer by training was paid 1 million for the interviews confident that this exposure would launch him back into public life Instead they sealed his fate as a political pariah James Reston Jr was David Frost s Watergate advisor for the interviews and The Conviction of Richard Nixon is his intimate behind the scenes account of his involvement Originally written in 1977 and published now for the first time this book helped inspire Peter Morgan s hit play Frost Nixon Reston doggedly researched the voluminous Watergate record and worked closely with Frost to develop the interrogation strategy Even at the time Reston recognized the historical importance of the Frost Nixon interviews they would result either in Nixon s de facto conviction and vindication for the American people or in his exoneration and public rehabilitation in the hands of a lightweight Focused driven and committed to exposing the truth Reston worked tirelessly to arm Frost with the information he needed to force Nixon to admit his culpability In The Conviction of Richard Nixon Reston provides a fascinating fly on the wall account of his involvement in the Nixon interviews as David Frost s Watergate adviser Written in 1977 immediately following these celebrated television interviews and published now for the first time The Conviction of Richard Nixon explains how a British journalist of waning consequence drove the famously wily and formidable Richard Nixon to say in an apparent personal epiphany I have impeached myself "I Gave Them a Sword" David Frost,1978

Television Talk Bernard M. Timberg,Robert J. Erler,2010-01-01 A CHOICE Outstanding Academic Book Flip through the channels at any hour of the day or night and a television talk show is almost certainly on Whether it offers late night entertainment with David Letterman share your pain empathy with Oprah Winfrey trash talk with Jerry Springer or intellectual give and take with Bill Moyers the talk show is one of television s most popular and enduring formats with a history as old as the medium itself Bernard Timberg here offers a comprehensive history of the first fifty years of television talk replete with memorable moments from a wide range of classic talk shows as well as many of today s most popular programs Dividing the history into five eras he shows how the evolution of the television talk show is connected to both broad patterns in American culture and the economic regulatory technological and social history of the broadcasting industry Robert Erler s A Guide to Television Talk complements the text with an extensive who s who listing of important people and programs in the history of television talk *Some Joe You Don't Know* Anthony Slide,1996-01-23 Americans have been watching and enjoying British television programming since the mid 1950s but the information on the personalities involved is difficult if not impossible to find in the United States This guide provides biographical essays complete with bibliographies on 100 of the best known and loved actors and actresses from Richard Greene Robin Hood and William Russell Sir Lancelot in the 1950s through stars of Masterpiece Theatre including Robin Ellis and Jean Marsh to the new generation of British comedy performers such as Alexei Sayle and Jennifer Saunders Not only are serious dramatic actors and actresses such as Joan Hickson and Roy Marsden to be found here but also the great comedy stars including Benny Hill and John Inman Among the many shows discussed in the text are Absolutely Fabulous You Being Served Dad s Army Doctor Who Fawlty Towers The

Good Life The Jewel in the Crown Poldark Rumpole of the Bailey Upstairs Downstairs and Yes Minister The guide offers not only factual information but also samplings of contemporary critical commentary and in depth interviews with Terence Alexander Richard Briers Benny Hill Wendy Richard Prunella Scales and Moray Watson This is a reference source that also serves as fascinating entree into the wonderful world of British television one that is as fun to browse as it is to use for factual documentation

Frost/Nixon Peter Morgan,2013-03-07 In 1972 a break in was foiled at the headquarters of the Democratic National Committee at the Watergate Hotel in Washington DC Within days a connection had been made with the White House and President Nixon s closest aides It unleashed one of the greatest scandals in modern American politics and ended with Nixon s humiliating resignation David Frost s interviews with Richard Nixon drew the largest audience ever for a news interview Could this British talk show host with no known political convictions and a playboy reputation be the one to elicit an apology from the man who committed one of the biggest felonies in American political history Frost Nixon premiered at the Donmar Warehouse London in August 2006

Coppola's Monster Film Steven Travers,2016-06-21 In 1975 after his two Godfather epics Francis Ford Coppola went to the Philippines to film Apocalypse Now He scrapped much of the original script a jingoistic narrative of U S Special Forces winning an unwinnable war Harvey Keitel originally cast in the lead role was fired and replaced by Martin Sheen who had a heart attack An overweight Marlon Brando paid a huge salary did more philosophizing than acting It rained almost every day and a hurricane wiped out the set The Philippine government promised the use of helicopters but diverted them at the last minute to fight communist and Muslim separatists Coppola filmed for four years with no ending in the script The shoot threatened to be the biggest disaster in movie history Providing a detailed snapshot of American cinema during the Vietnam War this book tells the story of how Apocalypse Now became one of the great films of all time

Reinventing Richard Nixon Daniel E. Frick,2008 Examining Nixon s autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon s version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon s state funeral at which Bob Dole s eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick s probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements

BOOK JACKET

Watergate Alexander Cruden,2012-04-13 This intriguing volume explores the historical and cultural events leading up to and following the Watergate scandal from the 1972 break in through Nixon s resignation The text addresses several issues surrounding

Watergate such as controversies related to the presidential impeachment the media's role in both exposing the scandal and impacting the aftermath and problems with the idea of presidential privilege Personal narratives from people impacted by Watergate including remembrances by Julie Nixon Eisenhower and John Dean are also featured The Age of Impeachment David E. Kyvig, 2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use One Lost Soul Daniel Silliman, 2024-08-08 Impious and amoral petty and vindictive Richard Nixon is not the typical protagonist of a religious biography But spiritual drama is at the heart of this former president's tragic story The night before his resignation Richard Nixon wept and prayed Though his demanding parents had raised him Quaker he wasn't a regular churchgoer nor was he quick to express vulnerability As Henry Kissinger witnessed Nixon's loneliness and humiliation that night he remarked Can you imagine what this man would have been had somebody loved him In this provocative and riveting biography Daniel Silliman cuts to the heart of Nixon's tragedy Nixon wanted to be loved by God but couldn't figure out how This profound theological struggle underlay his successes and scandals his turbulent political career his history changing victories and his ultimate disgrace As Silliman narrates the arc of his subject's life and career he connects Nixon's character to religious influences in twentieth century America from Cold War Christianity to Chick tracts Silliman paints a nuanced spiritual portrait of the thirty seventh president just as he offers fresh insight into US political and religious history Readers who lived through Watergate will discover a new perspective on an infamous controversy A historical page turner One Lost Soul will surprise and absorb students scholars and anyone who likes a good story **Great interviews of the 20th Century**

Richard Nixon David Frost, 2007 Nixon's Vietnam War Jeffrey P. Kimball, 1998 The signing of the Paris Agreement in 1973 ended not only America's Vietnam War but also Richard Nixon's best laid plans After years of secret negotiations threats of massive bombing and secret diplomacy designed to shatter strained Communist alliances the president had to settle for a peace that fell far short of his original aims **Frost/Nixon CD** David Frost, 1975-12-31 *Bowker's Complete Video Directory 2001*, 2001 *Frost/Nixon tie-in* David Frost, 2008-12-01 Frost Nixon tells the story of how Sir David Frost pursued and landed the biggest fish of his career and how the series drew larger audiences Frost Nixon provides the authoritative account of the only public trial that Nixon would ever have and a *Gopen's Guide to Closed Captioned Video* Stuart Gopen, 1993 **Oliver Stone's USA** Robert Brent Toplin, 2000 Challenging audiences and critics alike the films of Oliver Stone have compelled many viewers to re-examine some of their most revered beliefs about America's past Stone has generated enormous controversy and debate among those who take issue with his dramatic use of history This book brings Stone face to face with some of his most thoughtful critics and supporters and allows him room to respond to their views Writers including David Halberstam Stephen Ambrose Arthur Schlesinger Jr Walter LaFeber and Robert Rosenstone critique Stone's most contested films to show how they may distort amplify or transcend the historical realities they appear to depict

The Discretionary President Benjamin A. Kleinerman, 2009 Examines both the peril and the promise of presidential power to clarify that what can destroy our Constitution can if the threat is dire also save it An unusually balanced study that argues for a middle path whereby presidents choose consciously to act temporarily outside or even against the laws in serving the nation s best interest
