**Wise Men not so Wise** Yvan Stefanovitch, 2025-08-28 The nine Wise Men of the Constitutional Council are responsible for censoring legislation that does not comply with the Constitution Yet the presidents of the Republic the Senate and the Assembly legally appoint these judges for nine non renewable years without requiring the slightest competence or experience Welcome to the madhouse These nine septuagenarians are former politicians or senior civil servants appointed simply for political cronyism In fact the work of these Wise Men is carried out discreetly by a dozen or so competent and experienced senior civil servants This stiflers club imposes a terrible silence from both right and left on For the sake of convenience journalists and humorists have dubbed them the Wise Men ever since General de Gaulle created the Council This label is an illusion a chimera It masks the incredible and multiple dysfunctions of a veritable sinecure Our investigation reveals that 56% of the Wise Men s remuneration is illegal It depends on the executive which in turn produces the majority of the laws examined by the Council When at any time the State can withdraw this illegal allowance what independence and impartiality can we expect from those who are supposed to be the guarantors of the Constitution the rule of law and French freedoms *The Not-So-Wise Man* Alan MacDonald, 1999 Ashtar a very wise man goes in search of a newborn king come from Heaven but is not wise enough to find him
