What is Coming? H. G. Wells, 2022-05-16 Written on the eve of Allied Forces preparation for going into battle with Germany this prophetic book can be read as a manifesto preaching peace amidst the horrors of the Great War In What is Coming Wells puts forth the need for a world organization that would ensure a fair peace treaty that unfortunately did not take place after the First World War The celebrated author correctly ascertains that Germany would strengthen after The Great War ends through exhaustion Wells delves deeper into the financial and social traps that await the post war world and predicts the rise of feminism and the fall of colonialism The accurate predictions are impressive but the ones which did not take place may be even more interesting as Wells arguments for a socialist world order to provide basic needs remain relevant to this day What is Coming is a thought provoking and captivating window into a time that still impacts our world today Teeming with prophecies the book is a perfect read for First World War historians and the history of socialist thought H G Wells 1866 1946 was a celebrated English writer remembered mostly for his science fiction works Often described as a futurist H G Wells influence cannot be overstated for his works foresaw many technological innovations such as space travel the atomic bomb and the Internet A four time Nobel Prize in Literature nominee Wells explored a wide array of themes in his works from religion to social criticism and beyond Some of his best works include the time travel novel The Time Machine the sci fi adventure novel The Island of Dr Moreau and the mankind versus aliens novel The War of the Worlds Wells occupies one of the central seats in the canon of science fiction literature and his writing inspired other celebrated authors such as Ray Bradbury and Philip K Dick Wells stories are still widely read to this day and have had numerous cinematic adaptations including The Invisible Man starring Elisabeth Moss
