*Excel Practice Selective Schools and Scholarship Tests* James A. Athanasou, 1997 Excel Test Skills Selective Schools and Scholarship Tests Years 5-6 is a comprehensive study guide for the selective schools and scholarship tests usually undertaken in Year 6. The book contains sections on all four types of tests Maths, English, General Ability and Written Expression so students can prepare for exams with a minimum of stress and maximum results. In this book, your child will find an introductory section on how best to prepare for selective schools and scholarship examinations, hundreds of practice questions for Mathematics, English, General Ability and Written Expression, answers to all multiple choice questions, explanations that outline the thinking skills required for each question, a complete trial test paper.

Low Attainers in Primary Mathematics Jenny Houssart, 2013-04-15 In this fascinating book, Jenny Houssart draws on close observations with children in lower mathematics sets in primary schools to investigate why some children opt out of mathematics at an early age. After introducing us to the children, she addresses a particular type of mathematical task in each chapter, including mental work, practical work, written work, calculators and computers, assessment tasks. Through the use of stories and quotes, the author shows how the children respond to specific tasks and presents evidence of a range of difficulties that emerge as the children are working. Each chapter ends with discussions and implications for classroom practice.

Low Attainers in Primary Mathematics will be a useful resource for primary teachers, student teachers, SENCOs and teaching assistants who will all recognise these children from their own classrooms and draw insights from this highly readable book.

Excel Selective Schools and Scholarship Tests John Moir, 2013 The aim of Excel Test Skills Selective Schools Scholarship Tests Skills Strategies Years 5-6 is to identify, develop and practise the skills useful in test situations, in particular the Selective Schools and Scholarship Tests. Recognition of these skills and strategies and confidence in applying them will lead to better test results. In this book, students will find an introduction with advice to parents and students, an explanation page for each skill with sample questions and strategies, a page of practice test questions for each different type of skill and a detailed Written Expression section on how best to compose essays in tests. Answers to all multiple choice questions, explanations that outline the thinking skills required for each question.

**Much Promise: Successful Schools in England** Barnaby Lenon, 2017-04-24 Barnaby Lenon, a former schoolmaster and headmaster who is chair of the Independent Schools Council, takes an in-depth look at the elements that make up a successful school.
