Biss, 2017-06-15 The six one person plays included in this collection are ideal for actors looking to showcase their talents at solo performance theatre festivals whose popularity has grown exponentially in recent years Poignant sometimes heart wrenching sometimes heart warming and frequently witty each piece allows the actor to explore a multifaceted well rounded character that will demonstrate their skills at their finest and fullest They say never judge a book by its cover but it is something many of us are apt to do at some point Judging a person by their appearance is equally unwise as none of us can know the personal turmoil behind the public facade of a perfect stranger But what if we could Juxtaposing the public face with the private conflicted person behind it these solo plays present an actor with the opportunity to truly immerse themselves in the mind of the character they are portraying Haunting intense totally engaging The Concordian A masterly collection by an excellent writer Author A J Moreton *Neo-Victorian Biographia and James Miranda Barry* Ann

Heilmann, 2018-06-27 Senior colonial officer from 1813 to 1859 Inspector General James Barry was a pioneering medical reformer who after his death in 1865 became the object of intense speculation when rumours arose about his sex This cultural history of Barry's afterlives in Victorian to contemporary neo Victorian life writing biographia examines the textual and performative strategies of biography biofiction and biodrama of the last one and a half centuries In exploring the varied reconstructions and reimaginings of the historical personality across time the book illustrates not least with its cover image that the real James Barry does not exist any more than does the faithful biographical biofictional or biodramatic rendering of a life in a generically stable and discrete form What Barry represents and how he is represented invariably pinpoints the imaginative the speculative and the performative reflections and refractions in the looking glass of genre Just as James Miranda Barry as a subject of cultural inquiry comes into being and remains in view in the act of crossing gender so

neo Victorian life writing constitutes itself through similar acts of boundary transgression Transgender thus finds its most typical expression in transgenre
