agreements **The last of the Mohicans. The prairie. The spy** James Fenimore Cooper, 1891 *Spy Pilot* Francy Gary
Powers Jr., Keith Dunnivant, 2019-01-22 Based on newly available information the son of famed U 2 pilot Francis Gary Powers
presents the facts and dispels misinformation about the Cold War espionage program that turned his father into a Cold War
icon One of the most talked about events of the Cold War was the downing of the American U 2 spy plane piloted by Francis
Gary Powers over the Soviet Union on May 1 1960 The event was recently depicted in the Steven Spielberg movie Bridge of
Spies Powers was captured by the KGB subjected to a televised show trial and imprisoned all of which created an
international incident Soviet authorities eventually released him in exchange for captured Soviet spy Rudolf Abel On his
return to the United States Powers was exonerated of any wrongdoing while imprisoned in Russia yet due to bad press and
the government s unwillingness to heartily defend Powers a cloud of controversy lingered until his untimely death in 1977
Now his son Francis Gary Powers Jr and acclaimed historian Keith Dunnivant have written this new account of Powers s life
based on personal files that had never been previously available Delving into old audio tapes letters his father wrote and
received while imprisoned in the Soviet Union the transcript of his father s debriefing by the CIA other recently declassified
documents about the U 2 program and interviews with the spy pilot s contemporaries Powers and Dunnivant set the record
straight The result is a fascinating piece of Cold War history This is also a book about a son s journey to understand his father
pursuing justice and a measure of peace Almost sixty years after the fact this will be the definitive account of one of the most
important events of the Cold War
