Spirit Of Man:

Hades; or, the Intermediate state of man Henry CONSTABLE (Chaplain of the City of London Hospital for Diseases of the Chest.),1873 Spiritual Warfare David Cassady,2008-07 I remember when I was in the Marine Corps and just prior to going to Viet Nam I was given training to prepare me for what was ahead I was taught who the enemy was and about his weapons and tactics I was also taught the weapons and tactics I would employ against that enemy As Christian soldiers we too must learn who our enemy is and what weapons we are to use against him The less we know about our enemy the better he likes it A lack of knowledge concerning our enemy places him at a tremendous advantage as if being invisible was not enough Warfare provides a profile of the real enemy of mankind his weapons and tactics as well as the weapons we are to use against that enemy Warfare is an attempt to bring light and truth into a world of darkness and deception It is realized that many will be exposed to areas of satanic demonic deception they were heretofore ignorant of Although it is not my intent to cover all aspects of the subject of demonology I do want to cover a wide range of topics I also want to stress that when dealing with this subject many tend to operate at one of two extremes They take this whole thing with a casual somewhat unconcerned attitude or they get into bondage over thinking there is a demon under every rock My intent is to bring as much balance to this subject as I can May the God of all Grace and Mercy give you understanding **An Appendix with Reply to Criticism on "Future Retributive Punishment"** ...
