years into the future Nainoa had been sent by his Chief on a journey into what used to be America a once powerful land of machines and magic from which no previous voyagers had ever returned What did Nainoa seek from Dr Wesselman What did the anthropologist have to learn about his own world from this exotic traveler from another time and place Together scientist and mystic are initiated into knowledge of non ordinary levels of reality and given foreshadowings of imminent environmental political and spiritual challenges to their civilization Without abandoning his scientific objectivity Dr Wesselman abandoned himself to the mystical sometimes frightening yet always luminous experiences that brought him beyond the boundaries of ordinary consciousness The result is a fascinating and suspenseful adventure an exciting and important archeological discovery and the story of how a hard headed scientific realist stumbled on an important piece of the puzzle of human evolution Socially urgent and disturbingly prophetic Spiritwalker has a universal mythic resonance and an undeniable relevance for today as it challenges our perceptions of our world our reality and our future The Unitarian Advance ,1917

The Apocalypse Explained, According to the Spiritual Sense Emanuel Swedenborg,1871      **Longfellow's poetical works** Henry Wadsworth Longfellow,1883      *Snow-bound: Among the Hills: Songs of Labor: and Other Poems* John Greenleaf Whittier,1898
