**Companion to Anticlassicisms in the Cinquecento** Marc Föcking,Susanne A. Friede,Florian Mehltretter,Angela Oster,2023-03-06 Anticlassicisms as a plural react to the many possible forms of classicisms In the sixteenth century classicist tendencies range from humanist traditions focusing on Horace and the teachings of rhetoric via Pietro Bembo s canonization of a second antiquity in the works of the fourteenth century classics Petrarch and Boccaccio to the Aristotelianism of the second half of the century Correspondingly the various tendencies to destabilize or to subvert or contradict these manifold and historically dynamic classicisms need to be distinguished as so many anticlassicisms This volume after discussing the history and possible implications of the label anticlassicism in Renaissance studies differentiates and analyzes these anticlassicisms It distinguishes the various forms of opposition to classicisms as to their scope on a scale between radical poetological dissension to merely sectorial opposition in a given literary genre and to their alternative models be they authors like Dante or texts At the same time the various chapters specify the degree of difference or erosion inherent in anticlassicist tendencies with respect to their classicist counterparts ranging from implicit system disturbances to open intended antagonism as in Bernesque poetry with a view to establishing an overall picture of this field of phenomena for the first time **Ballads and Sonnets** Dante Gabriel Rossetti,Francis Hueffer,1882 **Poems on Various Subjects, Religious and Moral** Phillis Wheatley,1887

second quarter of the sixteenth century in Italy Michelangelo's poetry and aesthetic conception were strongly inspired by the revived theologia crucis of evangelical spirituality rather than by the theologia gloriae of Catholic teaching      **Bubbles from the Deep, Sonnets and Other Poems, Dramatic and Personal** Arthur Greaves, 1873      **Poems of Religious Sorrow, Comfort, Counsel and Aspiration** Francis James Child, 1889      **The English Sonnet** Thomas William Hodgson Crosland, 1917      **Religious Poems** C.
