The Communicator's Commentary Gary W. Demarest, 1984

A Voice from Heaven Charles J. Wisdom, 2006-10

Communicator's Commentary Myron S. Augsburger, 1991-05

The Injustice of Noah's Curse Justin Michael Reed, Associate Professor of Old Testament and the Hebrew Bible Justin Michael Reed, 2025-12-02 This book provides a new literary interpretation of Noah's curse as unjust Most interpreters acknowledge that in the context of Genesis 9:18-29 Noah's curse of Canaan seems to be an overreaction

and off target but almost all readers including ideologically motivated interpreters and modern biblical scholars with no desire to weaponize the curse presume that a good interpretation should overcome the initial reaction that Noah's curse seems unjust. This book argues the opposite. Reading through the lens of interest convergence from critical race theory and performative utterances from speech act theory this book proposes that intertextual connections between Genesis 9:18-29 and the stories in Genesis 2-3 show Noah and his actions as an ironic recurrence of the Adam and Eve narrative and the injustice of Noah's curse serves as a crucial element in this ironic depiction and the primeval history as a whole. Provided by publisher *Strategic Vision* Frank Damazio, 2013-09-30. Vision is both real and definable. Strategic vision combines real and definable factors that when mixed wisely and effectively propels a church forward. Strategic Vision provides a clear set of directives and expectations with which an entire church strategy can be framed. The first step in forming a strategic vision is for the leader to develop a personal vision. This personal vision grows into an all encompassing kingdom vision with every other level of vision between. From the foundation of a vision leader all other elements of vision flow.

Righteousness,

Volume 2 Jeffrey J. Niehaus, 2023-10-19. The second volume of this three volume work exeges and comments on every occurrence of the Hebrew terms for righteousness in the Old Testament. It begins with a discussion of apperception and deductive method and concludes with an afterword on righteousness and ontology. The ontological argument affirms that God's aseity is the foundation of righteousness in the Bible and thus of all true righteousness. Righteousness is being true to God and God is always true to himself including in his self existence. Other terms in the righteous word group such as righteous and justify are considered along with the important word pair righteousness and justice in semantic domain studies in the first three chapters. Semantic domain studies show that terms like upright, blameless and good are qualifiers of righteousness. Whatever the flavor or nuance of the terms for righteousness may be in different OT contexts however study shows that the underlying sense of righteousness is conformity to God's Being and doing and the same is true of the righteousness of God.

House, 2021-11-01. Sunday School across America is on a decline. Biblical literacy is at an unprecedented low amongst believers and it seems as if there is no end to where this could lead to in our churches. The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material. Enlisting help from scholars across the country the department wrote the Interpretative Expository an exposition for each lesson of the Sunday School curriculum. Also to assist pastors, preachers, missionaries and laity with sermon subjects and preparation our team has included a sample sermon outline from one of the lessons. Reemphasize the message of Sunday School by preaching a message from the text of the lesson.
