**The History of Rome** Livy,1912    **The History of Rome** Livy,1849    *The History of Rome, Vol. 1 of 4 (Classic Reprint)* Theodor Mommsen,2018-08-05 Excerpt from The History of Rome Vol 1 of 4 In calculating the corresponding years the year I of the City has been assumed as identical with the year 753 n c and with Olymp 6 4 although if we take into account the circumstance that the Roman solar year began with the 1st day of March and the Greek with the 1st day of July the year 1 of the City would according to more exact calculation correspond to the last ten months of 753 and the first two months of 752 s c and to the last four months of 01 6 3 and the first eight of O 6 4 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The History of Rome** Titus Livius,2024-11-15 Reprint of the original first published in 1836    *Rome's Armies to the Death of Augustus* Tony McArthur,2024-09-30 National armies as we know them today are a comparatively recent development It has been assumed that the Romans had an army similar to the national institutions of advanced almost exclusively European powers at the end of the nineteenth century But the assumption was wrong as is the belief that changes seen in the armies can be explained because the Romans reformed their armies Up to the death of Augustus the Romans had no permanent military forces Roman armies were raised for particular campaigns and disbanded at their conclusion Repeated campaigns were conducted in places like northern Italy and Spain but the armies were always disbanded These armies were not seen by Romans as part of a national institution as modern armies are they were simply a part of the life of a Roman citizen like religion or elections These armies were more like a militia than a national army There is little evidence even of systematic training and what changes can be detected can be better explained by contingent adaptation to circumstances rather than reform The emperor Augustus is commonly seen as the originator of the imperial armies but it was an unintended outcome of a long life

**The History of Rome** B.G. Niebuhr,1837    **The History of Rome Volume 2** Livy,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1823 edition Excerpt them out to the field with the utmost haste he charged the flank of the enemy's line which had enough to do in the other dispute at the same time exclaiming that it would be the height of infamy if they suffered Marcius's army to monopolize the honour of both victories and did not assert their claim to the glory of their own war He bore down all before him and pushed forward through the midst of the enemy's line to their camp which being left without a guard he took and set on fire and the flames of it being seen by the soldiers of

Marcius and likewise by the enemy on their looking about a general flight immediately took place among the Samnites But they could not effect an escape in any direction in every quarter they met death After a slaughter of thirty thousand men the consuls had now given the signal for retreat and were collecting into one body their several forces who were employed in mutual congratulations when some new cohorts of the enemy which had been levied for a reinforcement being seen at a distance occasioned a renewal of the carnage On these the conquerors rushed without any order of the consuls or signal received crying out that they would give these Samnites an introduction to service which they would not like The consuls indulged the ardour of the legions well knowing that raw troops mixed with veterans dispirited by defeat would be incapable even of attempting a contest Nor were they wrong in their judgment all the forces of the Samnites old and new fled to the nearest mountains These the Roman army also ascended so that no situation afforded safety to the vanquished they were beaten off even from the summits which they had seized And now they all with one voice [An historical atlas](#) Robert Henlopen Labberton,1885

**The History of Rome (Vol. 1-4)** Livy,2023-12-15 Livy s The History of Rome Volumes 1-4 offers a sweeping narrative that chronicles the rise and fall of Rome from its legendary foundation through the early republic Written in a rich eloquent Latin prose Livy s work is characterized by its moral reflection and engaging storytelling drawing on both historical and mythological elements His vivid descriptions and detailed accounts invite readers into the heart of Roman civilization providing insights into its political social and military evolution while situating the narrative within the broader framework of Mediterranean history and Roman values Titus Livius known as Livy was born in 59 BCE in Patavium modern Padua Italy His life coincided with the turbulent transition from the Roman Republic to the Empire experiences that profoundly influenced his perspective Writing during the reign of Emperor Augustus Livy sought to instill a sense of Roman identity and virtue amidst the backdrop of political upheaval reflecting both nostalgia for the Republic s values and an understanding of contemporary shifts This monumental work is essential for readers interested in classical history and the foundations of Western civilization Livy s eloquent prose and keen analytical insights not only entertain but also provoke deep reflections on human nature and governance The History of Rome remains a vital source for scholars and enthusiasts alike illuminating the struggles and triumphs of one of history s greatest civilizations

**The History of Rome; Volume 6** Livy,2023-07-18 This captivating work of historical non fiction chronicles the rise and fall of the Roman Empire Livy masterfully weaves together a sweeping narrative of political ambition military conquest and cultural achievement From the legendary tale of Romulus and Remus to the tumultuous events of the Punic Wars this book offers a compelling overview of Roman history Meticulously researched and beautifully written Livy s work remains an essential resource for anyone interested in the history of ancient Rome This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or

corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The History of Rome, Vol. 6 of 6 (Classic Reprint)* Titus Livius,2018-02-28 Excerpt from The History of Rome Vol 6 of 6 II When the Roman army first marched to the lake Timavus the Ifirians took post behind a hill where they could not be seen and omitted march thence followed it through by ways watching attentively for any opportunity that might give them an advantage nor did any thing that was done either on land or sea escape their observation When they saw the weakness of the advanced guards round the camp of the Romans and that the market place was filled with an unarmed crowd who carried on the traffic with the camp and that they had not fortified themselves either by works on land or by the help of their ships they made an assault on two of their polls at once the Placentine cohort and the two companies of the second legion A morning fog concealed their design and when this began to disperse as the sun grew warm the light piercing through it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The History of Rome, Vol. 2 (Classic Reprint)** Barthold Georg Niebuhr,2017-10-16 Excerpt from The History of Rome Vol 2

But for the breaking out of this tremendous calamity I should have hastened after a short interval of rest to complete and publish the third volume of which the part comprehended within the limits of the original second volume has already been planned the remainder down to the first Punic war only wants a last revision If peace be allowed to continue any time this shall be the first work I take in hand About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The History of Rome [vol. 5]** Theodor Mommsen,1908 *The History of Israel* Heinrich Ewald,1883 *The History of Rome, Vol. 4 (Classic Reprint)* Theodor Mommsen,2015-09-27 Excerpt from The History of Rome Vol 4 When Sulla died in the year 676 the oligarchy which he had restored ruled with absolute sway over the Roman state but as it had been established by force it still needed force to maintain its ground against its numerous secret and open foes It was opposed not by any single party with objects clearly

expressed and under leaders distinctly acknowledged but by a mass of multifarious elements ranging themselves doubtless under the general name of the popular party but in reality opposing the Sulla organization of the commonwealth on very various grounds and with very different designs There were the men of positive law who neither mingled in nor understood politics but who detested the arbitrary procedure of Sulla in dealing with the lives and property of the burgesses Even during the regent's lifetime when all other opposition was silent the strict jurists were refractory the Cornelian laws for example which deprived various Italian communities of the Roman franchise were treated in judicial decisions as null and void and in like manner the courts held that where a burgess had been made a prisoner of war and sold into slavery during the revolution his franchise was not forfeited There was further the remnant of the old liberal minority in the senate which in former times had sought a compromise with the reform party and the Italians and was now in a similar spirit inclined to modify the rigidly oligarchic constitution of Sulla by concessions to the Populares About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

### **The History of Rome, Vol. 2 of 4**

**(Classic Reprint)** Theodor Mommsen,2016-08-30 Excerpt from The History of Rome Vol 2 of 4 The Semitic stock occupied a place amidst and yet the mm aloof from the nations of the ancient classical cm world The true centre of the former lay in the East that of the latter in the region of the Mediterranean and however wars and migrations may have altered the line of demarcation and thrown the races across each other a deep sense of diversity has always severed and still severs the indo germanic peoples from the Syrian Israelite and Arabic nations This diversity was no less marked in the case of that Semitic

people which spread more than any other in the direction of the west the Phoenicians Their native seat was the narrow border of coast bounded by Asia Minor the highlands of Syria and Egypt and called Canaan that is the plain This was the only name which the nation itself made use of even in Christian times the African farmer called himself a Canaanite But Canaan received from the Hellenes the name of Phoenike the land of purple or land of the red men and the Italians also were accustomed to call the Canaanites Punians as We are accustomed still to speak of them as the Phoenician or Punic race About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
