*In the Shadow of the Holocaust* James F. Tent, 2003 James Tent recounts how these men and women from all over Germany and from all walks of life struggled to survive in an increasingly hostile society even as their Jewish relatives were disappearing into the East It draws on extensive interviews with twenty survivors many of whom were teenagers when Hitler came to power to show how half Jews coped with conditions on a day to day basis and how the legacy of the hatred they suffered still lingers in their minds
