Being Comanche Morris W. Foster,1992-12-01 Comanches have engaged Euro Americans curiosity for three centuries Their relations with Spanish French and Anglo Americans on the southern Plains have become a highly resonant part of the mythology of the American West Yet we know relatively little about the community that Comanches have shared and continue to construct in southwestern Oklahoma Morris Foster has written the first study of Comanches history that identifies continuities in their intracommunity organization from the initial period of European contact to the present day Those continuities are based on shared participation in public social occasions such as powwows peyote gatherings and church meetings Foster explains how these occasions are used to regulate social organization and how they have been modified by Comanches to adapt them to changing political and economic relations with Euro Americans Using a model of community derived from sociolinguistics Foster argues that Comanches have remained a distinctive people by organizing their face to face relations with one another in ways that maintain Comanche Comanche lines of communication and regulate a shared sense of appropriate behavior His book offers readers a significant reinterpretation of traditional anthropological and historical views of Comanche social organization

**Star Wars: Scoundrels** Timothy Zahn,2013-08-01

To make his biggest score Han s ready to take even bigger risks But even he can t do this job solo Han Solo should be basking in his moment of glory After all the cocky smuggler and captain of the Millennium Falcon just played a key role in the daring raid that destroyed the Death Star and landed the first serious blow to the Empire in its war against the Rebel Alliance But after losing the reward his heroics earned him Han s got nothing to celebrate Especially since he s deep in debt to the ruthless crime lord Jabba the Hutt There s a bounty on Han s head and if he can t cough up the credits he ll surely pay with his hide The only thing that can save him is a king s ransom Or maybe a gangster s fortune That s what a mysterious stranger is offering in exchange for Han s less than legal help with a riskier than usual caper The payoff will be more than enough for Han to settle up with Jabba and ensure he never has to haggle with the Hutt s again All he has to do is infiltrate the ultra fortified stronghold of a Black Sun crime syndicate underboss and crack the galaxy s most notoriously impregnable safe It sounds like a job for miracle workers or madmen So Han assembles a gallery of rogues who are a little of both including his indispensable sidekick Chewbacca and the cunning Lando Calrissian If anyone can dodge deceive and defeat heavily armed thugs killer droids and Imperial agents alike and pull off the heist of the century it s Solo s scoundrels But will their crime really pay or will it cost them the ultimate price
