The Art of Developing Fans for Life David Nottingham, 2008-06-05 Learning to use Education as a Tool Music Business Management in this book begins in early childhood memory when God music and the English Language are just starting to make sense Sentence structure and definitions are years away yet words still have meaning sounds still have a purpose while schedules and existence begin to formulate In my young adult years my focus shifted from thinking as a musician to thinking as an engineer For some reason my mind was learning to trust God to work out the details and work towards a career in the music business The Art of Developing Fans For Life describes real life events of how recording artists communicate What are the components music performance data involved in the music business Can we visualize the how the masters of the industry build their business There is referenced material from professional resources Successfully gained support from o This Business of Music writer M William Krasilovsky o The Real Warren Buffet writer James O Loughlin o The Art of Mixing Publisher MixBooks o Compact Handbook of College Composition Third Edition by Maynard J Brennan Houghton Mifflin Company o Effective Communication by Harvard Business Review o Nielson Soundscan o Courtesy BMI A recording engineer is responsible for helping the recording artist transfer music to a listening audience The importance of career benchmarks can only add value if the listening audience is generally accepting the product your working on Recording techniques and examples in the book are reviewed as a Multi Platinum and Gold recording engineer This book is a literary tool to help bridge the gap of making a living working in the music business Getting paid for working is a plus and learning to manage the experience is what my literary efforts are about Upward Communication locating a circle of competence and applying industry standard approaches to small business through creating tangible literary support in the field of engineering helps to move the subject to another level Also the tangible asset is based on real life experiences from two generations ago to future generations from now Creative writing skills in the academic field endeavor to create viable income as a writer As earlier stated the language of an infant can make a heart grow fonder The language of someone learning to appreciate the recording techniques shown by masters is part of the formula to achieve great sounding records Big VU meters on the compressors and Big VU Meters on the recording consoles shape the context of learning to trust the people you work with As an individual my efforts work towards being as my grandfather was a first class citizen My digital world is always improving

and family always encourages me to work towards my goals and objectives Adding value through work experience can be thought of as establishing employment opportunities of tomorrow Learning to become an entrepreneur stepping on the academic references that this book has successfully gained Each topic of discussion focuses on transferring sound recordings into a marketable asset that will enhance my future employment opportunities Chapters 1 through 9 introduce new concepts in the Music Business as well as use original text 1 Integrating with Customer Service 2 Build your knowledge base for a future reference 3 Interact with the Online Glossary 4 Invest into Copyrights 5 Market your skills 6 Develop new Products and Services Design the small business to work closely with major corporations Large companies like Berkshire Hathaway and Guitar Center become good neighbors Although their business models are different they are fulfilling a service and generating employment opportunities Employment and working at home or at the office A mobile work environment is subjective and necessary Transportation of sound recordings becomes new again based on real life Books Out Loud ,2004
