The Of Amos:

The Book of Amos M. Daniel Carroll R.,2020-11-19 In this commentary on the book of Amos Daniel Carroll combines a detailed reading of the Hebrew text with attention to its historical background and current relevance What makes this volume unique is its special attention to Amos s literary features and what they reveal about the book s theology and composition Instead of reconstructing a hypothetical redactional history this commentary offers a close reading of the canonical form against the backdrop of the eighth century BCE *Aspects of Amos* Anselm C. Hagedorn,Andrew Mein,2010-12-19 The volume brings together eight new essays on Amos which focus on a range of issues within the book They represent a number of different approaches to the text from the text critical to teh psychoanalytical and from composition to reception Arising out of a symposium to honour John Barton for his 60th birthday the essays all respond either directly or indirectly to his Amos s Oracles Against the Nations and to his lifelong concern with both ethics and method in biblical study *The Book of Amos in Emergent Judah* Jason Radine,2010 Originally presented as the author s thesis doctoral University of Michigan 2007 *The Theology of the Book of Amos* John Barton,2012-04-30 This book provides a detailed exploration of the important elements of the theology underlying the book of Amos It considers Amos as a figure representing social justice surveys major developments in the critical assessment of the book and examines the history of the book s reception *The Message of Amos* Alec Motyer,2024-01-18 Alec Motyer has clearly got the spirit of Amos in his blood He loves the prophet from Tekoa and takes endless pains to give full weight to every syllable of the prophecy Michael Green theologian and author of over 70 books Extravagance greed and exploitation were the most notable features of the society in which Amos lived Standards had gone to pot Authority and the rule of law were despised and national leadership while revelling in the publicity and dignity of position seemed to be contributing to the complete breakdown of law and order Thus Alec Motyer exposes and explains the astonishingly relevant but never popular message of the prophet Amos The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture These revised editions are redesigned inside and out and have been sensitively updated with contemporary language and Bible translations to help you follow study and teach the Bible in today s world **The books of Joel and Amos with intr. and notes by S.R.
