The Confessions Of Judas:

Confessions of God Johnthomas Didymus,2010-07 While Jesus died slowly and painfully on a cross at Golgotha three men in a Jerusalem upper room sat in on a sinister resurrection conspiracy which they never thought would change world history Who were these men What were their motives Who was the young man in long white garment the disciples found sitting in Jesus tomb on the morning of Jesus resurrection Mark 16 5 What happened to the body of Jesus missing on the resurrection morning Maverick Professor John Thomas Didymus a creative but sensitive mind unable to find succor in the age old traditions of Christianity receives while recuperating on a psychiatric hospital bed on the Isle of Patmos healing divine visitations and empowering trumpet call revelations of new Gospel truth He reviews the historical evidence for a conspiracy theory of the resurrection in a compelling but disturbing alternative historical account of behind the gospel scene political power intrigue and counter intrigue trailing the ministry of Jesus from Galilee to Judea Golgotha the resurrection conspiracy and beyond Rebounding finally from the depths of mental illness back to his job at the university and now succored by his former nurse Mary Magdalene John Thomas Didymus s career builds up into an apocalyptic confrontation with his colleagues of the ivory towers who ridicule his alternative gospel his pet Metaphysical Theory of Everything A theory designed to grasp the entire spacetime fabric of reality in one fell swoop A theory the cognitive mutations of a mind functioning precariously dangerously on the edge of mental chaos beyond mere genius bearing his cross amid hostile jeers and taunts Christ like to Golgotha on a lonely narrow ascending cognitive bio evolutionary pathway to infinity *The watches of the sacred Passion, with before and after* Peter Gallwey,1895 The Watches of the Sacred Passion, with Before and After Peter Gallwey (S.J.),1894 Text & Presentation, 2008 Stratos E. Price,2020-04-21 In this fourth volume of Robert M Price's celebrated Holy Fable series he turns his critical lens away from the Bible and toward a broader range of scriptural works that were written or rediscovered in modern times Employing the same sympathetic but eagle eyed treatment that defined past volumes he offers in depth analysis of the Joseph Smith penned Book of Mormon the long sealed Gospel according to Thomas the New Age Jesus of the Aquarian Gospel the H P Lovecraft invented Necronomicon and the Andrew Lloyd Webber and Tim Rice rock opera Jesus Christ Superstar With his trademark scholarship and wit he demonstrates how and why this eclectic mix of contemporary scriptural work provides genuine spiritual inspiration to a colorful variety of religious groups and seekers today Christianity and the Wider Ecumenism Peter C. Phan,1990 How has Christian tradition developed its understanding of the problem of salvation for non Christians How do the Christian churches appraise the spiritual values of those other religions whose members collectively make up the majority of mankind Christianity and the Wider Ecumenism explores the growing shift from efforts toward unity within Christianity to broader more far reaching attempts at greater harmony among world religions the wider ecumenism Editor Peter Phan traces the trend back to the Second Vatican Council 1962-65 but notes that in the last ten years or so the movement has become pronounced in addition to Vatican II the World Council of Churches has established a Dialogue with People of Living Faiths and ideologies Also the growing number of courses on campus in comparative religions testifies to the critical importance of interfaith studies and dialogue in our religiously plural world Despite resistance by some Christians to this new trend there is a willingness on the part of others to support the wider ecumenism even to abandon any claim to Christ's Christianity's uniqueness definitiveness absoluteness and superiority They rightly point to the need for faith in God as Absolute Mystery to Christian praxis in favor of justice and freedom and to the enormous historical suffering and conflicts caused by the myth of Christian uniqueness They add that we live today in a world village in which dialogue with other religionists and societies as full equals is imperative perhaps for our very survival Not mere contact but active cooperation and mutual understanding is required now more than ever to deal with urgent global issues involving mass poverty and starvation religious fanaticism the threat to the environment and the omnipresent danger of nuclear destruction These problems are far too important to be left to governments The essays in this volume are the Product of fifty leading scholars from across the Christian spectrum seeking to clarify and to affirm the immense significance of interreligious dialogue for Christianity in our new planetary society **The Confession of Judas The Plight of Muslims in Birmingham** Richie
