The Hoax Of The Twentieth Century:

The Hoax of the Twentieth Century Arthur R. Butz, 2015 Professor A R Butz was the first and so far the only writer to treat the entire Holocaust complex from the Revisionist perspective in a precise scientific manner This book exhibits the overwhelming force of historical and logical arguments which Revisionism had accumulated by the middle of the 70s This new 4th edition comes with several updated supplements adding new information **The Hoax of the Twentieth Century** Arthur R. Butz, 1977 9 and 11 Kim H. Veltman, 2015-02-23 This is an unlikely story of true events The Day that changed the World in the United States bombing of the Twin Towers the Day of Fate in Germany and the Day of Destiny in Israel are all connected with the 11th day of the 9th month These 9 11 dates entail much more than three events in three countries In the Hebrew tradition they include all the calamities that have befallen the Jews from the time of the Destruction of the First Temple and Second Temple the Expulsion of the Jews from England France Spain through to the Holocaust in World War II These events are in turn part of a larger history which linked the same date with cosmic events such as a day of Cosmic Battle and the Birth of Venus and gave special significance to the numbers 9 and 11 Part one explores this tradition and surveys a range of sources from a former German officer involved in the plot against Hitler to various conspiracy theories These events are also related to swastikas and hexagrams Since World War II there has been a trend to associate swastikas with an evil German Aryan tradition and hexagrams e g six pointed Star of David with a good Jewish Semitic tradition Historically a Jewish connection with the Star of David is late Mediaeval rather than Biblical Swastikas and hexagrams are found in both the Aryan and the Semitic tradition Hence the new trend distorts a complex history More disturbingly in the guise of tolerance and political correctness one version of stories is highlighted others are being suppressed and truth is endangered *The Hoax of the Twentieth Century* A R Butz, 1985-12-01 *The Twentieth Century*, 1896 *The Journal of Historical Review*, 2000 **Did Six Million Really Die?** Barbara Kulaszka, 1992 **De dagboeken van Anne Frank** Anne Frank, 1986 Bevat een samenvatting van het rapport van het Gerechtelijk Laboratorium opgesteld door H J J Hardy *Bijdragen*, 1988 Six Million Did Die Arthur Suzman, Denis Diamond, 1978 The Liberty Lobby and the American Right Frank Mintz, 1985-03-27 A large portion of the study is devoted to the antisemitic and anti Zionist position of the Lobby *The Liberty Bell*, 1986 *American Journal of Theology & Philosophy*, 1988 **The Desecraters of Memory** Ephraim Kaye, 1997 Bolt Of Fate Tom Tucker, 2009-04-24 Every schoolchild in America knows that Benjamin Franklin flew a kite during a thunderstorm in the summer of 1752 Electricity from the clouds above traveled down the kite s twine and threw a spark from a key that Franklin had attached to the string He thereby proved that lightning and electricity were one What many of us do not realize is that Franklin used this breakthrough in his day s intensely competitive field of electrical science to embarrass his French and English rivals His kite experiment was an international event and the Franklin that it presented to the world a homespun rural philosopher scientist performing an immensely important and dangerous experiment with a

child's toy became the Franklin of myth. In fact this sly presentation on Franklin's part so charmed the French that he became an irresistible celebrity when he traveled there during the American Revolution. The crowds and the journalists and the ladies cajoled the French powers into joining us in our fight against the British. What no one has successfully proven until now and what few have suggested is that Franklin never flew the kite at all. Benjamin Franklin was an enthusiastic hoaxer. And with the electric kite he performed his greatest hoax. As Tucker shows it was this trick that may have won the American Revolution.
