"The Hobbit" by J.R.R. Tolkien (Englisch 10. Klasse Realschule)* Teresa Schenk, 2017-06-12 Lesson Plan from the year 2017 in the subject Didactics for the subject English Pedagogy Literature Studies grade 1 7 University of Augsburg language English abstract The lesson described in this paper is based on the book The Hobbit by J R R Tolkien The lesson is intended for a year 10 class in a grammar school the recipients of the lesson will therefore be 14 to 17 year old pupils The fantasy novel The Hobbit was chosen for several reasons The book was originally written for children which means that it contains relatively easy vocabulary and is fun to read at the same time Pupils are likely to enjoy this book as it is set in a fictional world that is lovingly described and is packed with action as the protagonists have to survive many exciting adventures Furthermore J R R Tolkien is listed in the syllabus for Realschulen as an author that could be discussed in year 10 As the pupils at grammar school are the same age should have similar competences and most likely have similar interests as pupils in a Realschule the book should be appropriate for grammar school pupils too The lesson described in this paper would be the first of about eight lessons on the book and would be 45 minutes long The main focus of the lesson is set on reading comprehension and so the overall goal of the lesson is for the pupils to be capable of summarising the first two chapters of The Hobbit in their own words as well as being able to reflect on the novel This goal is based on the syllabus for English in grammar schools in year

10 The aims of reading comprehension that should be attained by the end of year 10 are described here Among other things Pupils should be able to read long and complicated literary texts and understand them on their own This is expected of the pupils in the lesson on The Hobbit as the homework due for the lesson is to read the first two chapters of The Hobbit on their own In the section on understanding texts there is a passage stating that pupils in year 10 should read either a novel or a drama of the twentieth or twenty first century and understand interpret and give their own opinion on the text ISB 2004 The novel The Hobbit fits into the category of novels from the twentieth century as it was published in 1937 Tolkien 1997 and in the course of the lesson will be understanding interpreting and giving their own opinion on the text

Bilbo's quest for identity and maturity in J.R.R. Tolkien's "The Hobbit" Katja Grasberger,2016-05-24 Bachelor Thesis from the year 2015 in the subject English Language and Literature Studies Literature grade 1 7 University of Bonn Anglistik language English abstract The following thesis aims at analysing Bilbo s quest for identity and maturation in J R R Tolkiens The Hobbit It has been said that The Hobbit not only offers a fantasy world but also deals with the human psyche First of all the theoretical and more general part will be explaining the hero s journey the Monomyth of Campbell its quest plot establishing the basis for the later analysis of Bilbo s character In the third chapter Bilbo s quest will be examined investigating his character as it is intermingled between the Baggins and Tookish part of his family It will be displayed how his two natures are at first rather opposing each other and how Bilbo develops so that they complement each other Furthermore the most important stages of his development are presented the trolls Gollum the spiders in Mirkwood and finally Smaug It will be shown how the first three stages are crucial turning points and prepare Bilbo for his final ordeal Smaug and how they shaped his character for the rest of the journey and the rest of his life Furthermore the causes of Bilbo s development will be investigated focusing on what made him do the things he did and what makes him let go of his immature way of life In addition the thesis will focus on the back of the story Bilbo s homecoming examining how Bilbo changed throughout his journey what he learnt what he achieved and how he is coming to peace as a better and mature hobbit In the end all thoughts and ideas will be summed up and it will be critically looked back at what the thesis dealt with The hero s journey is not an unfamiliar theme of investigation in literature and always enjoyed a vast popularity Campbell s Monomyth is the major concept of this paper to explain how the hero s character is shaped throughout his journey Tolkien as well as many before him was influenced by Campbell s idea Campbell s theory did not only influence literature but also film and comic such as Star Wars and The Ultimate Spider Man Genuinely the idea of myths is to convey moral values and provide moral instruction The idea of the Monomyth cannot only be applied to a literary hero but also to any other human being The quest of Bilbo Baggins will serve as an example of the hero s journey in which many features of the Monomyth can be found Moreover the idea of the journey is made clear through Bilbo s quest as he not only has to take physical hurdles but also psychological ones

One of the significant advantages of The Hobbit books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Hobbit books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Hobbit books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Hobbit books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
