*Transitional Justice and Education* Clara Ramírez-Barat,Martina Schulze,2018-07-16 This volume addresses the role and importance of education for processes of transitional justice In the aftermath of conflict and mass violence education has been one of the tools with which societies have sought to achieve positive transformation While education has the potential to trigger maintain and exacerbate conflict it has also been designed to promote a deeper more nuanced understanding of the past and to advance reconciliation peacebuilding and prevention The original contributions in the book reflect on lessons learned from education policies of the past in post conflict societies and seek innovative sustainable and context sensitive grassroots approaches designed to advocate critical thinking values of inclusion and tolerance and ultimately a culture of peace    **Leeds African Studies Bulletin** ,2007    **Symbols that Bind, Symbols that Divide** Scott L.

Moeschberger,Rebekah A. Phillips DeZalia,2014-05-14 This work explores the function of both divisive and uniting symbols in various conflict settings around the world It takes a fairly broad perspective on what constitutes a symbol to include objects such as flags signs language and monuments all of which convey conflicting meanings in a society affected by conflict In addition the authors include commemorations and other dynamic events that serve as a means for groups or individuals to connect with past generations celebrate a heritage and possibly express religiosity In order to provide context for the nuances surrounding the symbols there are brief historical overviews for each conflict featured in the volume In each chapter three issues are emphasized the particular symbols that are divisive in the specific culture how these symbols were used to perpetuate conflict and how these symbols can be used or modified to bring unification Contributions come from authors from around the world that have conducted empirical studies on intergroup relationships or have provided significant academic contributions in the area of symbols and collective memories represented in theoretical publications Taken together the contents of the volume provide a rich tapestry of intellectual analyses to the diverse selection of conflict settings from around the globe In addition to the nine case studies there is an introductory chapter which grounds the discussion in current peace psychology literature as well as provides future directions This volume is a valuable resource to many as the focus on symbols can span many disciplines such as political science anthropology sociology psychology and art Furthermore it is of significant interest to all scholars and peace activists studying these various countries and their conflicts
