Most of us have wondered sometime during our lifetime about when Adam and Eve were really expelled from paradise in the Garden of Eden Can we find a verifiable and replicable answer to this question Most of us have questioned sometime during our lifetime the accepted sequential biblical timeline of Archbishop James Ussher who claimed that 4004 BC was the actual date for that initial biblical event in our current holy scriptures Was he right Most of us have questioned sometime in our lifetime how the Hebrew s accepted claim that 3761 BC could be the actual date for Adam s expulsion Were they right Can we find a way to reconstruct the complete Hebrew Bible timeline from Adam s expulsion from paradise to our day Is this possible Who believes that it can be done Well it has been done Here is how it is done To reconstruct the Hebrew Bible timeline we need to know only the simple math formula that they used The employment of this simple formula shall enable us to rebuild that same sequential biblical timeline block by block in the exact same fashion that the Jewish people use from the beginning at Adam s expulsion from paradise in the Garden of Eden The formula used in reconstructing an actual count of the Hebrew Bible is found below

7 7 49
10 490 10 4 900 solar years
7 7 49 1 50 10 500 10 5 000 lunar years

Since both of these 49 solar and 50 lunar periods of time contain 18 200 days approx we can then post the number of any given sequential biblical event in its designated year position on a side by side comparison chart If we post the number in this fashion it will show us exactly when and where on the timeline chart there is an error in the sequential computations of any sequential biblical event that is propounded by any biblical chronologist past or present In this present book we find that the Ussher biblical timeline is 112 years too early And the Hebrew biblical timeline of Codex Judaica is 131 years too late Obviously 3892 BC is the only year number that can work for a verifiable timeline This book *The Holy Bible Chronicle of Sequential Biblical Events* by Robert P Killian is the fruit of over seventy year search for that verifiable and replicable answer to the long sought question Can the Ussher biblical timeline be trusted A Dictionary of the Holy Bible, Etc John BROWN (Minister of the Gospel at Haddington.),1819
