## **The Hope Within:**

Reason for the Hope Within Michael J. Murray, 1999 During the last two decades there has been a renaissance in the field of Christian philosophy Unfortunately most of this excellent work has not reached general readers Reason for the Hope Within was produced specifically to make available the best of contemporary Christian philosophy in a clear accessible and highly relevant manner Fourteen of America s rising Christian philosophers here cover many of the traditional themes of Christian apologetics arguments for the existence of God the problem of evil the possibility of miracles as well as topics of special relevance to today s world Eastern religions Christianity and science Christianity and ethics the existence of heaven and hell

Hope Within History Walter Brueggemann, 1987-01-01 Within a culture that is presently shaped by values of hopelessness Walter Brueggemann looks at the biblical text and finds the resources for a hope within history a hope that challenges hopelessness and despair Hope within History describes how individuals and churches can grow even when at odds with their social context addresses the theological question of how we experience hope in our historical biblical context and provides a model for faith development based on our understanding of hope within history as set forth in the biblical narrative
