Coombs III, Sixth U.S. president John Quincy Adams: a man who knew a lot about effective leadership maintained that the most successful people were those whose actions inspired others to dream more, learn more, do more, and become more. They were the ones who truly connected to life, to others, and to themselves. Today, the world needs human connection more than ever. It needs people who strive for deeper relationships, not just surface recognition, who come at life with the enthusiasm, energy, and excitement that bind people together. These people have a powerful impact on all around them. Leadership guru Art Coombs combines fresh perspectives, profound experience, engaging information, and unforgettable stories into a simple
