The Midwives Courage:

The Midwife's Courage Lilian Darcy, 2016-10-17 A love that can overcome all the odds Delivering babies all day while knowing she would never have one of her own was hard enough for midwife Katherine McConnell Harder still on her first date with gorgeous obstetrician Gian Di Luzio she discovered he wanted kids and so she had to stop the affair before it even got started Gian admired Kit's courage and selflessness in breaking off their relationship But working side by side with Kit he realized that he wanted to be with her above all else Surely that didn't mean he was falling in love Plato: The Midwife's Apprentice (RLE: Plato) I M Crombie, 2012-11-27 In Plato's Theaetetus Socrates is portrayed as a midwife to the intellect a metaphor for his task as a dialectician as he seeks to help give birth to wisdom Thus it is that the author refers to Plato as the midwife's apprentice This volume represents an attempt to provide a more manageable account of the author's two volume magnum opus An Examination of Plato's Doctrines An accessible and lucid introduction to Plato's ideas is provided which nonetheless challenges traditional interpretations In particular the author is concerned to offer an interpretation of the significance of what Plato said The chapters are arranged by topic for ease of comprehension The Midwife's Glass Slipper Karen Rose Smith, 2009-05-01 Dr Jared Madison would risk almost anything for his adorable twin girls Problem was what they really needed was a mother's loving touch and the green-eyed Texan was still too wounded by the past to take a chance on romance Until the curvaceous charms of his new nurse began to cast their spell on his heart Emily Diaz became a lifeline to Jared during a crisis and her warmth started to work magic on his small family But she had secrets of her own and no longer believed in fairy tales Could Jared be the Prince Charming who would help Emily get over her troubled past and find the happily ever after they both deserved Mother Ocean, Daughter Sea Diana Marcellas, 2014-04-01 Mother Ocean Daughter Sea Strength Unchanging Strengthen Me The Shari'a are an ancient race They are unwarlike and they are ruled by their shamanic witches The Allemanii are more recently arrived in their locale and are both awed and made fearful by the magical powers of the witches After generations of peaceful coexistence a cataclysm occurred out of nowhere and the Allemanii turned on their neighbors and hosts slaughtered most of them and scattered the survivors Suddenly to be a Shari'a is proscribed and to be caught practicing their magic is to be hunted to the death In MOTHER OCEAN DAUGHTER SEA Brierly thinking herself to be the last of her long lost kind practices the forbidden ancient healing art at constant risk of her life Execution is the penalty if she is caught but her need to help those who are themselves in need is stronger than any fear for her own safety If I am the last I will be a flame to the end But her attempt to save the wife of a nobleman sworn to wipe out her kind plunges her into a conspiracy of deceit and a hidden power struggle more deadly than anything she has ever known Her fight for survival may lead her to a love for the ages and perhaps to discover the surviving remnants of her people if she lives The Midwife's Choice (At Home in Trinity Book #2) Delia Parr, 2015-11-24 Come Home to Friendship Family and Faith in the Town of Trinity In a time when the traditional ways of medicine are constantly being questioned by new

doctors fresh from medical school midwife Martha Cade tries to balance her life's calling with the demands of her family. Recently reunited with her estranged seventeen-year-old daughter, Martha finds herself torn between guiding her child and allowing her to be an adult. At the same time, she must decide whether she'll risk reopening the heart she'd long closed off to love. Though a small town, Trinity, Pennsylvania, is fraught with secrets, and as a midwife, Martha moves among its people. She knows which homes are filled with light and love, which families have slipped into grief, which wives are unhappy and which husbands dare to cross lines. As Martha struggles with the conflicts of being a mother, a midwife, and a woman, she learns the greatest lessons of all: that hope can shine even in the darkest hours and that faith has a way of making the impossible possible.

Mother Ocean, Daughter Sea Paula Downing King, 2017-01-01

Mother Ocean Daughter Sea Strength Unchanging Strengthen Me The Shari are an ancient race. They are unwarlike and they are ruled by their shamanic witches. The Allemanii are more recently arrived in their locale and are both awed and made fearful by the magical powers of the witches. After generations of peaceful coexistence, a cataclysm occurred out of nowhere and the Allemanii turned on their neighbors and hosts, slaughtered most of them, and scattered the survivors. Suddenly, to be a Shari is proscribed and to be caught practicing their magic is to be hunted to the death. In *MOTHER OCEAN DAUGHTER SEA*, Brierly, thinking herself to be the last of her long-lost kind, practices the forbidden ancient healing art at constant risk of her life. Execution is the penalty if she is caught, but her need to help those who are themselves in need is stronger than any fear for her own safety. If I am the last, I will be a flame to the end. But her attempt to save the wife of a nobleman sworn to wipe out her kind plunges her into a conspiracy of deceit and a hidden power struggle more deadly than anything she has ever known. Her fight for survival may lead her to a love for the ages and perhaps to discover the surviving remnants of her people if she lives.

A Country Hope Lilian Darcy, 2017-03-27

The Midwife's Courage Delivering babies all day while knowing she would never have one of her own was hard enough for midwife Katherine McConnell. Harder still on her first date with gorgeous obstetrician Gian Di Luzio, she discovered he wanted kids, and so she had to stop the affair before it even got started. Gian admired Kit's courage and selflessness in breaking off their relationship. But working side by side with Kit, he realised that he wanted to be with her above all else. Surely that didn't mean he was falling in love.

The Honourable Midwife A spark of attraction has just ignited between GP Pete Croft and midwife Emma Burns. Given the chance, their passion would set ablaze. But Pete's ex-wife is ill, and his young twin daughters need him most right now. Even if it breaks her heart, Emma must do the honourable thing and stand aside while Pete puts his family first. But as Pete and Emma tend the Glenfallon community together, the physical temptation between them is torture. And Emma's generosity simply fires Pete's determination to make her his bride.
