September 2003 erschien der Band in deutsch **A Third Reich, as I See It** Janosch Steuwer, 2023-04-04 With the beginning of the National Socialist dictatorship Germany not only experienced a deep political turning point but the private life of Germans also changed fundamentally The Nazi regime had far reaching ideas about how the individual should think and act In *A Third Reich as I See It* Janosch Steuwer examines the private diaries of ordinary Germans written between 1933 and 1939 and shows how average citizens reacted to the challenges of National Socialism Some felt the urge and desire to adapt to the political circumstances Others felt compelled to do so They all contributed to the realization of the vision of a homogeneous conflict free and racially pure society In a detailed manner and with a convincing sense of the bigger picture Steuwer shows how the tense efforts of people to fit in and at the same time to preserve existing opinions and self conceptions led to a close intertwining of the private and the political *A Third Reich as I See It* offers a surprisingly new look at how the ideological visions of National Socialism found their way into the everyday reality of Germans **The Most Valuable Asset of the Reich** Alfred C. Mierzejewski, 2014-03-30 The largest enterprise in the capitalist world between 1920 and 1932 the Deutsche Reichsbahn German National Railway was at the center of events in a period of great turmoil in Germany In the first detailed history of this important organization Alfred Mierzejewski presents a sophisticated analysis of the Reichsbahn's operations finances and political and social roles In addition he uses the story of the Reichsbahn to gain new perspectives on modern German economic and political history Mierzejewski describes and analyzes the beginnings of the national railway in Germany and the problems that it faced He examines the Reichsbahn's noncapitalistic commonwealth approach to economic management and shows how the railway was used to hold Germany together especially in the face of Bavarian particularism Mierzejewski's account also provides unparalleled insight into Germany's reparations policies demonstrating that Germany was fully capable of paying the Dawes annuities and that the government's claims that reparations paid by the Reichsbahn hurt both the railway and Germany were groundless A second volume will cover the period from 1933 to 1945 *The Third Reich Sourcebook* Anson Rabinbach, Sander L. Gilman, 2013 This book is a collection of documents mostly translated from the German that covers the entire Third Reich from the beginnings of National Socialism in Munich in 1919 through the rise of Nazism in the 1930s and ultimately the defeat of the Third Reich It is wide
