Stay Awhile By Cassidy:

Two of Hearts Julia Gabriel, 2018-05-29 She's the town's most dependable girl. He's its most notorious heartbreaker. But one unexpected winter may change everything. Cassidy Trevor has always been the reliable one holding her family together and running the day to day at their beloved quilt shop in St. Caroline. But behind her polished smile and to-do lists lies a secret she hasn't shared with anyone: she's planning to leave her small hometown and finally chase a life of her own. Matt Wolfe has perfected the art of not getting attached. With a family legacy in firefighting and a front row seat to life's most unpredictable tragedies, he's convinced it's better never to want too much because you just might lose it. When the two are roped into co-chairing St. Caroline's first Winter Festival, no one expects them to get along. At least of all each other. Cassidy is all order and plans. Matt is all charm and chaos. But what starts as a reluctant partnership soon sparks into something neither of them saw coming. A holiday fling seems like the perfect solution: no strings, no expectations. She's leaving. He never sticks around. What could possibly go wrong? Everything, especially when the one person who supports your dreams becomes the one you can't imagine leaving behind. Set against the snowy charm of a Chesapeake Bay winter, this heartfelt romance is perfect for readers who crave emotional depth, genuine characters, and sweet small town love stories with a guaranteed happily ever after.

Arid Anne Joyce, 2021-11-05 This is a must-read novel for anyone who enjoys a good post-apocalyptic story. Author Anthony Avina. It's the distant future. The earth is scourged by nuclear warfare, and natural resources have become scarce. The country is overtaken by wealthy moguls who dominate the water supply and sell it back to the public at ridiculous prices. After a drastic crime increase, indigents who can't afford water are stripped of their belongings and forced out of town by an army of brutes called Purifiers. Life becomes harsh and ominous for the bright, ambitious Joshua Wyman and his group until they begin to occasionally receive food and other basic amenities after Joshua is deemed useful. When a blatant abuse of Purifier power during a routine visit leaves them reeling, Joshua and his friends reach their breaking point. They devise a plan to steal the Purifiers' vehicle during their next visit and escape their hell. Their journey across the uncharted wastelands filled with murderers and thieves proves to be far more than this civilized, benevolent crew bargained for. This tense, divided city will soon face its greatest fear: uprising.
