Stealing Freedom:

Stealing Freedom Elisa Carbone, 2008-12-30 Twelve year old Ann Maria Weems works from sunup to sundown wraps rags around her feet in the winter and must do whatever her master or mistress orders but she has something that many plantation slaves don't have. She has her wonderful family around her. To Ann her teasing brothers her older sister and her protective and loving parents are everything. And then one day they are gone. Separated from her family by her master and shipped off as a housemaid Ann learns something about independence and about love before the opportunity for escape arrives. A white man risks his life for Ann cuts her hair short dresses her like a boy and launches her on her journey on the Underground Railroad to Canada her family and finally to freedom. Until she was a teenager Ann Maria Weems lived in the mid 1800s near the author's home in Maryland. This fictionalized account of her extraordinary life is ideal for students teachers and parents hungry for interesting and informative reading in African American history and the Underground Railroad.

Stealing Freedom Vivien Patterson, 2019-05-31 It is for freedom that Christ has set us free. Stand firm then and do not let yourselves be burdened again by a yoke of slavery. Galatians 5:1. But what does this freedom really mean? In her book Vivien Patterson describes a personal journey which spans many years. It involves overwhelming family tragedy and loss but gradually leads her to discover the true nature of freedom. She believes that most of us misunderstand freedom and that frequently we chase after an impostor who masquerades in many forms leaving us feeling cheated disillusioned and trapped. However true freedom she states implies being rescued. It is the most precious of all gifts offered by the Rescuer and an integral part of our inheritance in Christ. She sees this freedom as being linked implicitly with redemption wholeness and well being. As we embrace it we find we have the potential not only to honour God but to be true to ourselves in all our relationships. This is the freedom she has discovered in Christ and this is her story.

Stealing Freedom Along the Mason-Dixon Line Milt Diggins, 2015 Slavery freedom and kidnapping in the mid Atlantic. This is the story of Thomas McCreary a slave catcher from Cecil County Maryland. Reviled by some proclaimed a hero by others he first drew public attention in the late 1840s for a career that peaked a few years after passage of the Fugitive Slave Act of 1850. Living and working as he did at the midpoint between Philadelphia an important center for assisting fugitive slaves and Baltimore a major port in the slave trade his story illustrates in raw detail the tensions that arose along the border between slavery and freedom just prior to the Civil War. McCreary and his community provide a framework to examine slave catching and kidnapping in the Baltimore Wilmington Philadelphia region and how those activities contributed to the nation's political and visceral divide.

Us History Readers' Theater Grd 5-8 Robert W. Smith, 2008-05 Why use Readers Theater in history classes? The format gives students a sense of involvement with the human dramas that make up history. Performers can feel the excitement as Archimedes discovers the displacement of water. They can relate to the terrors of a slave's passage from Africa to the Americas. They can imagine the tension of wading through the water at Omaha Beach as bullets strike their
