The Multigenerational Church Crisis Bryan Chapell,2025-05-06 Harness the strengths of every generation to create a church that

endures open the lines of communication appreciate the experiences that shaped each generation in your church unite in one mission to impact your community and the world It may seem hard for younger Christians to believe that people over 50 were raised during an era when 90 percent of Americans identified as Christian These older believers were once part of a majority group that understood the mission of the church was to take control of our culture to halt its evils At the same time Christians under 50 have lived their entire lives perceiving themselves as a minority that needs to make credible their faith to a secular pluralistic culture These distinct experiences and perceptions have a profound impact on the priorities different generations have for church ministry It s no wonder that younger and older believers don t always see eye to eye But imagine what could be accomplished in the name of Christ if we could better understand each other and turn that understanding into shared purpose and aligned priorities Backed by thorough research this eminently practical and hopeful book from pastor and scholar Bryan Chapell shows you how to open the lines of communication appreciate the experiences that shaped each generation in your church and unite in one mission to impact your community and the world     **Semi-annual Conference of the Church of Jesus Christ of Latter-Day Saints** Church of Jesus Christ of Latter-Day Saints,1897     Publications of the Catholic Truth Society ,1900     **The Trinity Hurdle** Ruth Sutcliffe,2016-01-04 Why do groups such as Christadelphians Jehovah s Witnesses and Unitarians have such difficulty with the doctrine of the Trinity Do they really understand the doctrine they oppose From the mainstream Christian perspective perhaps a lack of understanding about the way these other groups view the Scriptures may have hampered a clear presentation of the orthodox doctrine The Trinity Hurdle is a scriptural and historical defense of the doctrine of the Triune God and substitutionary atonement for Christadelphians other non Trinitarians and those engaging with them from an author who is familiar with both sides of the doctrinal divide
