## **The House Next Door:**

The House Eugene Field,1896      **The House on Cobblestone Lane** Richard J. Johnson,2013-05-15 The House on Cobblestone Lane is a gripping story of the strange and macabre events experienced by the new owners of an old and depressing mansion a place that had previously been owned by an eccentric mortician who had mysteriously disappeared several years earlier In a misguided attempt to hide a series of bizarre discoveries from his wife Rick Braden becomes entangled in a sticky web of lies and deception that abruptly intensifies and turns his life into a maze of anguish and intrigue If one has ever hesitated to delve into the history of an old house before buying it he will hesitate no longer after reading about the events that had transpired within the House on Cobblestone Lane      **The House of Elliott: the Anxious Years** Edward P. Rich,2002-11-15 To his lifelong regret Miles Bannister loses out when Evangeline Elliott the girl he loves marries his art school classmate Daniel Page Miles' millionaire father retaliates by making his son a director of The House of Elliott From part time illustrator Miles and his father now became the new reality in the House To please his father Miles proceeds to become both an engineer and a ruthless rags tycoon Evie and Daniel leave for Paris and the bursary Daniel was awarded Both come to espouse the liberal causes of the early thirties As Miles flirts with the Nazis dressing their wives in clothes Evie designed the Pages throw themselves into the international effort to save the Spanish Republic Mr Rich's novel closes the story of The House of Elliott Both up until the war and after like a film noir it is based on the real history of the nineteen thirties and the slow postwar recovery Beatrice her husband Jack Evie and Daniel Lord Alexander Montford Penelope Maddox Madge and Tilly girls in the workroom all play roles They create one of the most endearing fashion houses in modern fiction as it survives The Anxious Years      The House of Laura Covington Selma Sullivan,2000-10 I've held this story close to my heart like some romantic secret I would have let it remain in its esoteric state but for the living memory of my parents Perhaps the telling of it is like the discharging of a kind of unusual filial debt The relationships depicted here extend through time and across generations and are not rooted in once locale one story I believe that many who read this story will see elements of their own lives hidden in its pages Maybe my story which found reality in an old house in a small southern city will open doors of your imagination and allow the characters that fill your memories help you forget a wounded past Our memories and those of the people we love sometimes require a witness to keep them from evaporating into a misty void where they are lost forever My story is real only in my heart but my characters are your characters They walk among us
