## **Statue Of Liberty The:**

What Is the Statue of Liberty? Joan Holub, Who HQ, 2014-05-29 In 1876 France decided to give the United States a very big and very special present the Statue of Liberty The gift was to commemorate the 100th birthday of the United States and just packing it was no small feat 350 pieces in 214 crates shipped across the ocean The story of how the 111 foot tall lady took her place in the New York Harbor will fascinate young readers The Story of the Statue of Liberty Annie Qaiser, 2013-08-01 This book relays the factual details behind the building and gift of the Statue of Liberty The narrative provides multiple accounts of the event and readers learn details from the point of view of a U S harbor worker a French artisan and a U S Reporter This book offers opportunities to compare and contrast various perspectives in a text while gathering and analyzing information about an historical event Liberty New York Public Library, Comité officiel franco-américain pour la célébration du centenaire de la statue de la liberté, 1986 This comprehensive and fully illustrated book about the Statue of Liberty traces its history its art its technology and construction its symbolism its importance in American imagery and its role as a monument to French American friendship The Statue represents a cooperative effort by French and American art historians social historians and architects to understand how the Statue came to be how it fits into the Western tradition of art and ideas what it has meant to Americans and what issues were involved in its renovation and rededication The book contains over 500 visual images many in color from French and American collections ISBN 0 06 096122 8 pbk 22 50 For use only in the library *Statue of Liberty, The* Barry Moreno, 2017 The world s most famous sculpture the Statue of Liberty Liberty Enlightening the World rises to a height of 305 feet from the base of her pedestal to the top of the golden flame of her torch Conceived designed and originally built in France she was unveiled on her new island home in 1886 The postcard trade still in its infancy embraced the icon and Miss Liberty s commanding figure soon appeared on millions of postcards In this book one will see the statue from many angles profiles long shots close ups aerials torch views and more **Statue of Liberty** Christian Blanchet, Bertrand Dard, 1985 Traces the history of the famous statue and describes the current restoration project The Statue of Liberty Enlightening the World Frédéric Auguste Bartholdi, 1885 The Statue of Liberty Charles River Editors, 2014-12-25 Includes pictures Includes accounts of the construction by newspapers and men who worked on the Statue of Liberty Includes a bibliography for further reading Includes a table of contents A masterpiece of the human spirit that endures as a highly potent symbol inspiring contemplation debate and protest of ideals such as liberty peace human rights abolition of slavery democracy and opportunity The UNESCO Statement of Significance describing the Statue of Liberty Among America s countless monuments and landmarks none embody the principles of the nation quite like Lady Liberty the colossal statue that stands on Liberty Island in New York Harbor A gift from the French that was built and transported in the late 19th century the Statue of Liberty has been a symbol of the United States guaranty of individual freedom and its location took on added meaning as it welcomed millions of immigrants sailing

across the Atlantic to nearby Ellis Island As one incoming Greek immigrant remembered I saw the Statue of Liberty And I said to myself Lady you re such a beautiful sic You opened your arms and you get all the foreigners here Give me a chance to prove that I am worth it to do something to be someone in America And always that statue was on my mind People around the world are instantly familiar with the statue today whether from seeing pictures or depictions of it or actually visiting it and going inside but the story of its construction is just as fascinating Conceived as a monument that would commemorate the crucial alliance between America and France the statue was a massive undertaking from fundraising to the construction of the sculpture and a pedestal The project took several years and a precarious transport of the statue s pieces across the Atlantic to New York where it was officially dedicated in 1886 and celebrated with a ticker tape parade Even before that the statue was so famous on both sides of the Atlantic that the head and torch had been displayed at various exhibits prior to the completion of the statue Ironically given the widespread fame of the Statue of Liberty its history was turbulent and controversial While those who conceived of the statue had a difficult time securing the funding there were arguments over where the statue should go and how everything from the pedestal to the statue itself should be built In hindsight it seems like a foregone conclusion that one of America s most famous monuments would be completed but it would actually take almost 15 years for the Statue of Liberty to be designed constructed and completed and the lion s share of the credit would go not to Americans but to dedicated French artists and engineers who pushed on with the work against major obstacles and heavy odds The Statue of Liberty The History and Legacy of America s Most Famous Statue chronicles the design and construction of Lady Liberty Along with pictures of important people places and events you will learn about the Statue of Liberty like never before in no time at all     *The Statue of Liberty* Debra Hess,2005-01-30 Traces the origins of the Statue of Liberty its creators the different symbols and their meanings and what it stands for today     *The Statue of Liberty* Jennifer Fandel,2005-07 Recounts the history of the famed statue including how it was built in France shipped to America and reassembled on a pedestal in New York Harbor     **Statue of Liberty** Jennifer Hurtig,2019-08-01 Also known as Liberty Enlightening the World the Statue of Liberty stands as a symbol of the United States It marks the principles of democracy and freedom on which the country is based Find out more in Statue of Liberty a title in the Structural Wonders of the World series Structural Wonders of the World is a series of AV2 media enhanced books Each title in the series features easy to read text stunning visuals and a challenging educational activity A unique book code printed on page 2 unlocks multimedia content These books come alive with video audio weblinks slideshows activities hands on experiments and much more     **Statue of Liberty, The** Danielle S.
