**The Standing Dead** Ricardo Pinto, 2010-08-31 THE ACCLAIMED SEQUEL TO THE CHOSEN In desperation the Ruling Lord Suth searches within the sacred walls of Osrakum for Cornelian his son and Osidian the God Emperor elect He suspects the Empress Ykoriana is behind their disappearance and knows that if they are not found soon it is her other son Osidian s brother Molochite who will rule with fearful consequences for the Three Lands Captive of the tribes of the Earthsky Cornelian is for the moment safe and succumbs readily to the seasonal rhythms of tribal life he is convinced by unexpected discoveries that it is fate that has bought him there He grows to love these simple people and hopes for sanctuary among them But the dark forces Cornelian helped unleash in Osrakum begin to cast their shadow over his adopted home He is witness to the awful oppression that the Masters whom the tribesmen call the Standing Dead have been inflicting on them for millennia But even more terrible is the presence Cornelian has unwittingly brought with him Potent and terrifying it threatens everything he now holds dear in this new found world With The Standing Dead Ricardo Pinto gives us a tumultuous new chapter in the Stone Dance of the Chameleon trilogy and confirms his place as one of fantasy s most singular and literate voices

**The Third God** Ricardo Pinto, 2010-07-31 Amidst the massacre he himself helped bring about Cornelian is now desperate to find a way to avoid more carnage But it is too late for that His spurned lover Osidian seeking revenge and determined to win back his stolen throne has deliberately stoked the wrath of the Masters who rule the world from its centre Osrakum Osidian s actions have stirred into motion political events in Osrakum which threaten to overturn the millennial repressive order of the Commonwealth Cornelian learns that he and those he loves are now inextricably enmeshed in the terrible power game of the Masters If he and they are to survive he has no choice but to play that game himself though he does not know how He has no choice but to stand with Osidian in defiance of the invincible power of the Masters No choice but to take his loved ones deeper into peril In his struggle he will find unlooked for allies and guidance with dreadful motives of its own And ultimately he will unleash apocalyptic forces which will bring him and his world to a reckoning none could have foreseen though it has been simmering for four thousand years

**The Chosen** Ricardo Pinto, 2010-09-30 Cornelian is of the Masters cruel beings who rule their kingdom from an earthly paradise hidden in a crater that is the navel of the world Soon after he is born Cornelian s father takes him across the sea to an island in the colourless north Far from the Crater s rituals and pomp their household is allowed to become a family to the boy and the world of the Masters fades to alluring fairy tale In deepest winter years later a ship comes riding before the gales three Masters her only cargo As these giants remove their masks of gold Cornelian is awed by the light that seems to radiate from their skin In formal conclave they ask Cornelian s father to end his exile and return with them to oversee the election of a new God Emporer His father s agreement feeds Cornelian s longing for the world beyond the sea but as the days pass Cornelian watches with growing horror as the ship s needs devour his home The Masters are indifferent imperious concerned only with their blood politics their majesty As his

father becomes strangely powerless Cornelian strives to save his people but when the ship turns her pro towards the stormy sea he knows that he is abandoning them to famine among the ruins of his former home This is the beginning of Cornelian's journey The terror of the tempest yields to the weary grind along the road the climb up the forbidding cliff wall to the Guarded Land and then the frantic rush into the deep south Cornelian's education which began with the starving of his people proceeds with bitter lessons in bloodshed intrigue and betrayal When they finally reach the Canyon of the Three Gates which leads into the Crater Cornelian finds both love and treachery but it is here within the Heaven Wall that he will set in motion the concluding events in a story already ten thousand years old

Stone Dance of the Chameleon Tom Doherty Associates, LLC, **The Dragon Queen** Alice Borchardt, 2010-09-30 It is that time known as the Dark Ages the Romans have abandoned Britain's shores leaving behind a brutal fear filled twilight world where magic and superstition strife and warfare hold sway Into this world is born the daughter of a pagan queen Her name is Guinevere and to the all seeing power hungry sorceror Merlin she represents a grave threat Sent into hiding in the remote north she grows up under the protection of a shape shifting wolf and a wayward druid watched over by dragons yet through his dark arts Merlin tracks her down He knows her destiny and will stop at nothing to prevent what has been foretold For if Guinevere becomes queen and Arthur king together they will bring a peace to the land that will leave the sorcerer but a shrivelled and empty old magician in a weary cloak What Merlin doesn't realise is that Guinevere has inherited dazzling powers of her own With Arthur trapped in a netherworld from which the only escape is death Guinevere must call upon the ancient primal spirits and beings who walked this earth when it was still young to help her in her final confrontation with the High Druid himself Dark exciting highly original and utterly compelling THE DRAGON QUEEN is set in a brutal grittily and historically authentic Celtic world where the Pagan and the Christian battle for supremacy Full of wild magic both benign and malign romance superstition wonder bloody battles and wonderfully well wrought characters and written with a fresh contemporary voice this novel turns the legend of King Arthur and his mercurial queen well and truly on its head

Picacio Greg Spalenka Shaun Tan Charles Vess *Children Of The Serpent Gate* Sarah Ash,2016-11-10 Gavril Nagarian Lord Drakhaon of Azhkendir is believed dead perished in the heat of battle Yet he still lives and is entrusted with a sacred mission to rescue the aged Magus who has been kidnapped and in whose possession are the five priceless rubies that compose the fabled Tears of Artamon Ancient law decrees that whoever possesses the stones has the power to impose his will over the Empire of New Rossiya But the task exacts a cost The drakhaoul that destroyed his forebears has penetrated Gavril s psyche and is gaining power over his soul As these dark forces seek immortality inside him so Gavril must feed on the blood of innocents or die Toppled by the loss of the Tears of Artamon Emperor Eugene of Tielen is tormented by his own daemon but he must defend his lands against King Enguerrand of Francia who claims ownership of the Tears Yet both men share a common goal to destroy Gavril Nagarian and the Drakhaoul that lives within him once and for all Ingenious and unforgettable Children of the Serpent Gate delivers a thrilling conclusion to the epic trials of a man of honour in a world in chaos one that can only be laid to rest by an Emperor s Tears The Chosen Ricardo Pinto,1999 **Contemporary**
